DALY CITY'S STORE WITH A HEART

For the past nine years the St. Vincent De Paul "Thrift Shop" at 6740 Mission (above) has been serving the people of Daly City. Within the four walls of this shop the purchaser may find everything from weight machines to children's shoes. And the buyer, himself, may vary from the very rich to the very poor. Manager of the store is Mrs. Ethel Jones (below, left). She is assisted by Flora Norris and a truck driver Johnny Lapache. Anyone who wishes to give, or get rid of excess clothing, furniture, or any other item is asked to contact the "Thrift Shop." Driver Lapache will gladly come and take it away. (Photos by Myra)

D.C. Society Of Saint Vincent De Paul For Past 9 Years Has Helped All With Everything From Clothes To "Dieting"

Memories of Waterloo and Napoleon were still fresh in the minds of men when in Paris in 1833 was born a society which has functioned in Daly City for the past nine years.

That society was The Society of Saint Vincent De Paul, a branch of which is located today at 6740 Mission. There may be little or no resemblance between the physical aspect of the Daly City building and the structure in Paris, but the founding spirit of the society flourishes today in this community.

With the slogan, "no work of charity is foreign to the Society," the Daly City branch carries on its work from day to day.

Principal work of the Daly City branch today is to gather, repair and distribute materials from clothing to stoves to those who are in need.

However, no one need be ashamed of getting anything at the Society. It is not "pure charity" in that most of the goods are paid for. True, the sum is small, but through dimes and dollars, in a month's time the Daly City branch may take in as much as \$800.

This money in turn is used to help those who can not find work. The Society pays men and women to repair all articles brought to them. These articles then are sold back to those in need, for a small price.

But perhaps the word "needy" doesn't quite describe the patrons of the Daly City society.

"During the many strikes when men are out of work for a long period of time, they often find help in coming here," Mrs. Ethel Jones store manager, explained.

When school started this year, many a child was fitted out with

DALY CITY MUSTANGS MEET OAKLAND DEVILS SATURDAY IN BATTLE FOR THE TOP SPOT IN WESTERN LEAGUE

Steam rolling toward first place in the Western Football Association this year, the Daly City Mustangs meet the all-negro Oakland Devils Saturday night.

To date the local lads have taken six out of seven games. Their most recent win was an impressive 34 to 0 win over the Sacramento Hawks.

Saturday's game will be played with "major league" facilities under lights on the San Francisco State College field, 19th and Holloway, San Francisco. Game time is 8:15.

These local lads deserve your support, especially Saturday night. Be sure to turn out and give them the backing they have fought so hard to earn.

Further information on the Mustangs can be found on the Sports Page.

DALY CITY'S JAIL HISTORY IN NEXT WEEK'S "RECORD"

Does anyone in Daly City know where the first jail in this community was located?

This was the question put to the public during the week by Daly City's unofficial historian, A. J. Bodien. The public works superintendent hinted that next week on these pages he would disclose the spot of the first calaboose, and how it came to be built.

Anyone interested, and who isn't, is advised to read the "Daly City Record" next week.

Colma Boy Killed In Duel With .22 "Unloaded" Rifle

Funeral services will be held Saturday for William Randle, 13, Colma, victim of an "unloaded" .22 rifle and a mock duel Monday evening.

The boy died instantly when his companion, Edward Fisher Jr., 15, 257 Colma avenue, accidentally shot him through the heart, Chief Deputy Sheriff Walter Moore said.

Only ten minutes before the fatal shooting, Mr. and Mrs. Harry Randle left young William in charge of their store at the Treasure Island Trailer Court, Colma, at 6:10 p. m.

A few minutes after his parents left for Oakland, Robert Williams, 14, and Fisher entered the store.

Young Fisher brought in a BB gun. In the course of playing he traded his BB gun for Randle's .22 rifle.

The boys put the two guns down, then at a given signal both picked up the rifles, aimed and fired. The .22 fired. Randle staggered out of the store and fell to the ground dead.

Although until the "duel" there had been no bullets in the firing chamber of the rifle, there evidently was a single bullet in the gun's magazine.

When Fisher picked up the gun, he racked the rifle slipping the bullet into the chamber.

Mr. and Mrs. Randle did not learn of their son's death until they returned from Oakland at 11:15 p. m. They had been inspecting a trailer.

The Saturday funeral services for William will be held at the W. C. Lasswell chapel beginning at 1 p. m. Following the services interment will be Cypress Lawn cemetery.

The Randles have one other son, Edward Lee.

Fire Chief Asks New Residents To Remember Vital Telephone Number

Those in Westlake and other sections of Daly City were there are not fire alarm boxes were asked today to remember a vital number.

Fire Chief J. E. Kennedy asked all these residents, in case of fire, to telephone JUniper 5-4212. That magic number may save a home or a life.

This is the same telephone number to call in case the police are needed.

Remember, in case of fire or when police are wanted, call JUniper 5-4212.

D.C. Boys Club Harvest Dance Tickets On Sale

Tickets for the Daly City Boys Club "Harvest Dance" are now being sold, Frank Lombardi, club backer, said today.

The dance, to be given November 5 at Colombo Hall, Colma, is the principal means used this year by the club to raise funds. All of the money from the affair will be used by the 400 members of the organization to purchase new and needed equipment.

But this is no charity dance. On the contrary, those who purchase a

More Park Land Acquired Monday By City Council

Acquiring more property for new parks and playgrounds, the city council Monday night began eminent domain proceedings against three lots in the Concordia Land Co. tract.

No action, however, was taken to ask for bids on the \$396,000 bonds for the War Memorial center and the parks. This will probably be done October 24, Mayor Green said.

The three Concordia lots will be used in the proposed new Crocker park. Last week the council planned for the purchase of property for the War Memorial center and the Edgewood park.

In other business before the council Monday night:

Melvin Hanson, service station owner, was appointed to the Daly City Fire Commission to fill the post left vacant with the retirement of Larry Shaw. Hanson will represent Company No. 1.

"Circus-Carnival" At OLPH School Next Weekend

"Don't make any plans for next weekend—we're going to the Our Lady of Perpetual Help Festival and Carnival."

This was the by-word of hundreds of Daly City residents this week as the deadline drew near for the Circus Carnival to be held at the OLPH school, Wellington avenue, next Friday, Saturday and Sunday, October 21 to 23.

With prizes galore in store for the festivities, arrangements were being completed this week for decoration of the school area. George Calgeri and Frank Denning in charge of the decorating committee have transformed the Parish Hall into a Circus side show, complete with clowns, elephants, peanuts and all the color which makes a circus so dear to everyone.

The complete list of booths and workers is as follows:

Candy, Mrs. Betty Brush; cakes, Mrs. Valette Ennis; groceries, Mrs. Sophie Klingler; dolls, Mrs. Eleanor McDougal; flowers, Mrs. Alma Garibaldi; kitchenware, Mrs. Josephine Lamendola and Mrs. Mildred Barone; panda bear, Mrs. Catherine Ricci; ham, Robert Crocker and Robert Lucier; games, Holy Name Society; children's games, Louis Thibaut; peanuts and popcorn, Mrs. A. Heyden; refreshments, Mrs. Helen Rode; dinner, Mrs. Margaret Steele.

Featured on Sunday will be a Turkey dinner at \$1.50 and a plate for children, 75 cents. It will be served from 4 p. m. until 8 p. m.

Firemen Put Out Two Sunday Blazes

Sunday was a busy day for four fire companies of the Daly City department as they put out a rubbish and dump fire respectively.

The first fire was at 6:18 a. m. at the intersection of Highway No. 1 and Lake Merced boulevard. Here firemen found a dump blazing, which for a time endangered farm houses and trees in the area.

Rolling out their hoses, Companies Nos. 1, 2 and 4 quickly had the fire under control. But this wasn't done until the blaze had singed many of the lower branches on trees in the area.

At 1:26 p. m. the same day, Companies Nos. 1, 2 and 4 answered a call at North Park View and N. antic. After one-half hour of fighting they put out a blaze in a rubbish pile.

Fire Chief J. E. Kennedy reports that damage at both fires was minor.

SF Boy Seriously Wounded By .22 Rifle In DC Hills

Fighting for his life in Community Hospital today is Richard Hoff, 14, 234 Pope street, San Francisco, shot yesterday by a companion who believed the safety was on his .22 rifle.

The .22 slug tore through Hoff's chest, knicked his liver, and almost came out his back. It was fired by Vincent Garcia, 13, 226 Brunswick street, as the lads were playing in the foothills of the Crocker estate in Daly City at 5:45 p. m. Wednesday.

Daly City police report the shot was fired accidentally.

Hoff told police:

"I was kneeling down. I heard Garcia say 'what a good shot.' The next thing I knew I was hit."

The wounded boy told officers that Garcia had believed the safety was on the .22 rifle.

Garcia and another friend, Floyd Thomas, 14, 30 Brunswick street, San Francisco, carried Hoff to the Crow Air Force Security Station.

Soldiers called an ambulance and the wounded boy was rushed to Junipero Serra hospital where he was given temporary treatment, then taken to Community Hospital.

Officials at the hospital today reported Hoff's condition as "very poor."

This makes the second accidental shooting in the Daly City area within the past three days. Monday, William Randle, 13-year-old Colma boy was killed accidentally by a companion.

Two Young Boys Injured Wednesday In Auto Accidents

Within a period of three hours Wednesday, two boys, 5 and 14 years old, were injured in automobile accidents.

Michael Stanley, 5, 343 Citrus avenue, is still in Junipero Serra hospital today recovering from a fractured leg he suffered when a car struck him at 4:35 p. m.

Joseph Lewkowicz Jr., 14, 501 Vista Grande avenue, was released from the hospital after treatment for minor cuts and bruises suffered when a motorcycle he was riding collided with a car.

Lewkowicz was thrown from the

(Continued on Page 8)

Daly City Murder Witnesses Called To Identify Alves

Still being questioned about the murder of bookie Marty Breslaue today was his one-time associate, Cecil C. Alves, 37, San Francisco gambler.

Wednesday, Alves was confronted with an unidentified Daly City woman witness to the September 30 shooting. She admitted Alves "resembled" one of the killers, but she could not be positive.

Today, another unidentified woman and two men witnesses to the crime will be asked to look over Alves. It is hoped one of them will be able to identify him as one of three men who killed Breslaue.

"From here it looks like Alves has an air-tight alibi," Police Chief W. W. Sunderland said. "And as none of the witnesses seem to be able to positively identify him, we may be hitting our heads against a stone wall."

Alves claims that at the time of the murder he was with his girl friend in San Francisco. Officers are looking into this today, hoping to find some crack in his alibi.

The ex-convict was arrested early after the Breslaue shooting, as he allegedly was with the bookie a few hours before the murder near a grocery store at Los Banos and San Diego. He was released, however, after he gave his alibi.

Burglars Get \$200 From Daly City Billiard Parlor

Striking for the seventh time in five weeks burglars last Thursday night got over \$200 from the Daly City Billiard Parlor, 6380 Mission.

Chief W. W. Sunderland expressed some optimism as to the chances of catching the thieves. He said he had "several clues" as to their identity. He did not say whether this burglary was related to the others.

The burglar, or burglars, went over a back fence behind the establishment, up the back stairs, and

(Continued on page 5 col. 2)

No. 26 Bus Line Out -- Shuttle In At 10c Rate Hike

Shuttle bus service will soon replace the No. 26 Bus line in Broadmoor, and will cost residents an extra 10 cents to ride.

Monday the San Francisco Board of Supervisors ordered abandonment of the No. 26 line. They agreed, however, to install a shuttle service for a trial period of 90 days. If the line is not self sustaining over the three months period it will be taken out.

No date has been set for replacing the No. 26 line with the shuttle bus. It is expected this will be decided next week when Broadmoor civic leaders meet with Public Utility Commission officials.

Tonight, October 13, the Broadmoor Property Owners Association is holding a meeting to discuss the change-over.

Under the proposed shuttle service, Broadmoor residents must pay an extra 10 cents to ride on the new bus. No transfers will be given.

It is expected the bus will be one of the large 54 passenger capacity. It will take about 20 minutes to make the round trip run from Daly City to Broadmoor, and will run all day long.

Proposed route of the shuttle bus is from the top of San Jose and Mission to the end of 87th street in Broadmoor.

Red Cross Looking For Missing Burlingame Woman, Mrs. B. Eldridge

The Home Service Department of the San Mateo County Chapter, American Red Cross, 1449 Bellevue avenue, Burlingame, is endeavoring to locate Mrs. Beatrice (or Clara B.) Eldridge, whose last known address was 2221 Adeline drive, Burlingame.

Anyone knowing the whereabouts of Mrs. Eldridge please contact the Home Service Department at above address.

S.F. Man Charged With Tire Theft

Spotted as he allegedly stole a tire and several parts of automobile equipment from a parked car in Daly City, a San Francisco man today faces charges of petty larceny.

Charged with stealing a wheel and tire, socket wrenches and a camera, total value of which is \$30, is Jules Benveniste, 52 Sala terrace, San Francisco.

Allen Pettigrew allegedly saw Benveniste take the tire from a car parked in front of the Hillcrest Apartments at 1:30 a. m. Saturday. Then the San Francisco man assertedly drove away. He was picked up by police on Bepler street.

Benveniste was released on \$50 bail, and will be arraigned before Judge W. J. Sweeney this Friday at 2 o'clock.

Runaway Car Scores Again

Another runaway car scored a direct hit on a home in Daly City Tuesday, but damage to both house and car was minor, police report.

The car, parked at 471 Irvington street, was driven by Mrs. Thelma H. Sands, 12 Iwo Jima road, San Francisco. She was transacting some business in city hall when the car broke away from the curb.

Rolling down the hill, the auto smashed into the front of a home at 440 Irvington, the residence of Mrs. T. Buckenmeyer.

As Mrs. Sands agreed to pay for any damage, Mrs. Buckenmeyer did not press charges, police said.

S.F. Man Fined \$125 In D.C. Police Court For Drunk Driving

Pleading guilty to drunk driving, Pierce R. Ridgely, 533 Diamond street, San Francisco, was fined \$125 in police court Friday.

In addition to the fine Judge W. J. Sweeney suspended his driver's license for 90 days.

Ridgely was arrested October 2 while driving on Mission near Crocker avenue at 2:40 a. m. Officers found the San Francisco man traveling at a "fast rate of speed," and when stopped he was allegedly drunk.

NEVILLE MOTORS GETS FORD AWARD

A certificate of merit for outstanding work in finance, management, spirit and facilities was awarded Neville Motors, 7360 Mission, Tuesday by the Ford Motor Co. This award is given on a competitive basis to all qualified Ford dealers, and represents a real step forward for the Daly City firm. Gentlemen involved in the award include (left to right) Willis Avery, district representative of the Ford Co.; L. Noble, assistant district manager, who is handing the certificate to A. W. Neville; Ira C. Neville and L. B. Neville. (Photo by Myra)

Herbert Beament Picks Up Splinters In Bannister Slide

Banister wise and sore today is four-year-old Herbert Beament, 229 Los Olivos avenue, one of four who visited Junipero Serra hospital this week end.

Herbert was sliding down his banister at home when his journey was suddenly and painfully interrupted by a splinter. He was taken to the hospital where the doctor performed the necessary extraction.

Of a more serious nature was a cut leg suffered by four-year-old Barbara J. Lopez, 17 Theta avenue, Saturday evening. The child was taken to the hospital treated for the injury and sent home. Police reports did not indicate how young Barbara cut her leg.

Adel Converi, 357 Winchester, was treated for lacerations of the right wrist at 10:30 p. m. Saturday, after accidentally shoving the wrist through a glass door. After treatment, the patient was released.

Cutting his teeth, 17-month-old Joseph Hendry, 115 Citrus avenue, became ill Saturday. He was taken to the hospital where he was given temporary treatment for his teeth and a sore throat. Later the baby was transferred to the Community Hospital.

Burglar Gets \$118 From Daly City Spudnut Shop

Going directly to a refrigerator leg in which \$118 was hidden, an unidentified thug burglarized the Spudnut Shop, 6714 Mission, early Monday morning.

This, the eighth burglary in five weeks, followed by three days the lifting of \$200 from the Daly City

Billiard Parlor.

Police believe the thief was probably locked in the shop when it was closed up by its owner, Richard Selmi, Sunday evening. The burglar must have been familiar with the shop, as he went directly to the refrigerator, and did not disturb anything else in the store.

Police said the thug left \$8 in the cash register.

The thief then left by the back door, by breaking a panel in the door. The door did not have a lock, but was held shut by several planks.

Save Lives -- Install Traffic Signals!

For the lack of a signal light several residents of the new Westlake section in Daly City will be buried this year.

These potential mortuary customers are the brave souls who attempt to get into Junipero Serra traffic from Highway No. 1. As there is nothing to regulate traffic, it's every driver for himself.

Of course the new residents can go down to 87th street and cross safely, but that means five to 15 minutes wasted—valuable time.

No, there seems to be a simpler solution to the death trap. Why not put up stop signals?

Signals, at a cost of approximately \$20,000, will save many trips to the graveyard and hospital. The signals should be put up immediately at the intersection of Highway No. 1 and Junipero Serra Blvd.

This work is under the jurisdiction of the state highway commission. They are slow to move, but it is up to every resident of the area to prompt them with letters and telegrams.

TAX REVISION

Next year Uncle Sam's tax laws are going to have a general overhauling, according to the reports coming out of Washington. There is much speculation whether or not this will mean higher taxes in order to avoid continued deficit spending. Usually, Congress doesn't increase the "take" from the citizen's paycheck during an election year, which 1950 is.

But, regardless of how it is done, the feeling is growing that a revised tax law will be designed to bring more revenue into the federal coffers. At the same time, some levies may be lowered, such as those on transportation tickets and on communication services. Cuts in other excise imports—furs, jewelry, luggage—are not likely.

It is estimated that the government will finish up the current fiscal year about \$5 billion in the hole, and many congressmen feel that deficit spending must be halted. Since progress toward any substantial economies in the budget are not materializing it appears that the only alternative is to hike the "ante." So, get ready to dig deeper in your jeans, brother.

JUST POLITICS?

Attorney General Howser's recent claim that the "gangster threat" to California is a political concoction aimed at him doesn't sound very convincing. Speaking before the Young Republicans he charged that the \$200,000 spent by the Crime Commission was money wasted for "political and personal attacks against myself." This statement might have been a bit more impressive except for the numerous instances of warfare much on the order of gangland pattern.

Maybe the attempted assassination of Mickey Cohen should be ignored. Maybe the other shootings, past and recent, don't mean anything. But the average citizen finds difficulty in believing that California is completely untouched by eastern gangsters.

And what's more, most of the people feel that the conduct of the Attorney General's office in connection with organized crime has left much to be desired. Mr. Howser might do well to devote less time to speeches and more time to doing the work he was elected to do.

ABOUT ALASKA

Military men say that Russia's possession of the atom bomb makes adequate defense facilities for Alaska more necessary than ever. They point out that with Russian territory only 56 miles across the Bering Straits the Soviets could seize important bases in Alaska without much trouble from our meager defenses. Seizure of such bases would give the Russians a tremendous advantage in a war between them and ourselves.

At present, it is reported that we have less than 15,000 troops in Alaska and fewer than 100 jet planes. Anti-aircraft equipment is negligible and there is need for submarine bases and better roads. Another urgent requirement is a radar network. Military officials fear that unless more attention is given to these needs we might some day have a repetition of the Pearl Harbor tragedy in Alaska.

PAY HIKE

An increase in government expenses of \$300 million isn't the best way to keep the deficit down. But there are instances in which such a boost in costs may be well worth it. The pay hike for the armed forces is such an instance. This increase is the first over-all adjustment for the military services in four decades. It should serve to attract, or at least to keep in uniform, many of the best men who have been resigning to enter business in order to earn more adequate salaries.

Increases for top level officers will still leave them far below the money paid men in civilian life with comparable responsibilities. But other officers and the enlisted men will receive pay fairly well in line with what they would get in business. Reasonable salaries for those entrusted with the defense of our country is essential both from the standpoint of the quality of men needed for such work and for the morale of the armed forces in general.

OLEO IN COLOR

Oleomargarine in "technicolor" has made its debut in California. The new law permitting the pre-coloring of the butter substitute went into effect on October 1, repealing a 52-year-old statute and relieving the housewife of one of the messiest chores she has had to handle.

Oleo still isn't out of the woods, however, since grocers will be assessed \$36 per year by the federal government for the privilege of handling the colored spread. Isn't it about time that the federal government also gave colored margarine a "full pardon"?

QUICK CHANGE

Automobile manufacturers aren't losing much time in the process of changing over to new models. Prior to the war this occasioned a shutdown of from six to eight weeks. Now it's being done in as little as one week. Talk in trade circles has it that many drastic changes in car design are yet to come this year.

Complete redesigning is not likely, however, since that would take a lot of money — and time. Detroit is having its greatest production year and apparently the manufacturers are pushing hard to avoid long idle periods during which competitors might steal away the customers. By the way, whatever became of that seller's market in the automobile business?

1947 Potato Crop

The 1947 production of potatoes—more than 44 million bushels—was nearly two million greater than in 1946. In both years the crops were nearly a third larger than the 1944 and 1945 crops of less than and more than 33 million bushels. These four large crops compare with an average of about 20 million bushels for the 10 years from 1936 to 1945.

A Galloping Genie

Modern genie known to steelmen as the continuous rolling mill usually picks up slabs of steel at a speed of four and a half miles an hour. Less than two minutes later it reels them off in the form of ribbons at 20 to 25 miles an hour. Higher speeds are frequently attained, however, and the type of steel sheet that ends up as tin cans has been known to travel a mile a minute.

Barley First Food

In ancient Greece it was traditionally believed that barley was the first form of food given to mankind by the gods, and most botanists and geologists seem to agree that barley was one of the first plants to be cultivated. In the valley of the Tigris and Euphrates and the Nile ancient straw-lined barley storage pits have been found by archeologists who have dated them tentatively about 20,000 years of age.

South Pole Ice Cap

Growth of the South Pole ice cap is certified by the snowfalls which produce the thousands of great icebergs disgorged annually along its 12,000 mile coast line.

Rayon Garments

Since water spots rayon, don't let rayon garments dry thoroughly and then sprinkle. Instead, roll the rayon garment in a towel to eliminate excess moisture; then hang on a hanger until dry enough to iron.

NATIONAL PRESS BUILDING
WASHINGTON, D. C.

By Anna Goodie

Have you heard about the large Washington (D.C.) food store which sends out a cruising wagon to coral shoppers? All you have to do is hail it and be picked up.

If your youngsters' overalls are too long, cut off excess and use to reinforce knees and seat. Apply "patches" with bright red thread for a touch of color.

For that special, "has to be good" dinner party, here's a first course to meet every requirement. Serve a piping hot cream of tomato soup; the last minute spoon on a generous serving of real mayonnaise blended with whipped, heavy cream.

Believe it or not, but they say if higher freight rates are granted, the style of women's hats may be influenced. Millinery, you see, is among the items for which they're asking freight increases. Smaller hats may be the answer to manufacturers' problems.

Lend color to your meals with paprika. A dash of it on white potatoes, creamed cauliflower, onions or macaroni gives that eye appeal, so necessary for food.

Children will certainly be thrilled over the new Christmas toys. Hens that lay eggs and walk away, dolls that eat crackers and a mechanical man which can be built and electrically operated are among the selection.

There's Only Room for One Flag

Shearing Lambs' Faces

Shearing the faces of heavily woolled feeder lambs is a good management practice, say animal husbandry specialists. The shearing will increase gains in lamb feeding.

Where They Originated

Brussels sprouts, cabbage, broccoli and celery originated in the Scandinavian countries, pineapples in Brazil and the white potato in Argentina.

Big Feed Friday Oct. 14 At Grace Presby. Church

Tucking their napkins under their chins, eaters will get down to business Friday night, October 14, at the Grace Presbyterian Church smorgasbord.

The feed, under the supervision of Circle No. 3, will be held at the church, Hanover and Evergreen streets. This promises to be one of the outstanding evenings of the year.

Everyone, regardless of whether he or she is a church member, is invited to attend the chow from 5:30 to 8 p. m.

In addition to food, men of the church will show films of the recent ground breaking ceremony for the new church.

Other activities of the church last week included:

The young people had a wiener roast last Friday evening with Mary Ada Sea, Phyllis Blackburn and Lorraine Bergstrom in charge.

Following the roast, Jaek Patton, president, made engagements for a party to go skating. The following attended: Patton, Mary Sea, Marilyn Colby, DeWayne Soares, Phyllis Blackburn, Lorraine Bergstrom, Arlene Pool, Ronald Dickson, Marguerite Coutant, Doris O'Neil, Roberta Taylor, Harold Diamond, Carole Clarke, Anita Holcomb, Jim Dowell, Carol Bertelli.

Mr. and Mrs. A. O'Neil, Mr. and Mrs. William Patton, and Dr. and Mrs. William Harberts accompanied the group.

Last Thursday the Business Girls' Guild met with Pat Hancock, 59 Wilson street. Madelyn Mejia, president, conducted a beautiful candle light initiation service. She was assisted by Pat Hancock and Barbara Winter. Lynn Hodge, Florence Hannah and Margaret Smith were initiated as new members.

Following the business meeting the remainder of the evening was spent in making gifts for a Christmas box for the Neighborhood House Mission School at Azusa, California. Mrs. Harberts told of the work carried on at the Mission school.

The guild has also "staked a claim" in Peiping, China at a girls' school.

Last Wednesday Circle No. 5 met with Mrs. Stanford Hannah at 28 Cavour street. Sewing for the bazaar on November 9 was the order of the day.

Last Thursday Circle No. 4 met with Mrs. I. Blackburn. They, too, were busy getting ready for the annual bazaar.

OFFICIAL HISTORY OF WORLD WAR I—Above is a sketch of American doughboys in a victorious charge—a typical illustration from one of the first two volumes of the Army's 17-volume documentary history of the American Expeditionary Forces in World War I. Subsequent volumes of the series will be released individually at intervals of approximately six weeks.

Volumes I and II deal with General John J. Pershing's organization of the AEF, and with policy formulation. Among the major problems confronting the American commander of the AEF was the organization and employment of American troops as an independent American Army, rather than as incorporated units of larger British and French commands. Volume I also contains a 56-page narrative summary of events, including brief accounts of major operations. The entire series is available free to all Government depository libraries, and may be purchased by others and by the general public from the Superintendent of Documents. Volume I, 426 pp., \$3.00; Volume II, 656 pp., \$4.00. Prepared under the supervision of the Historical Division, Department of the Army, the series is being reproduced by offset and bound in buckram by the Government Printing Office.

Deer Feeding

Nearly 1,000 tons of alfalfa hay and concentrated deer food were distributed in Wisconsin's deer yards during 1947 to feed an estimated number of only 23,000 deer. The cost of this operation \$72,000, along with the required payment of deer damage claims amounting to over \$55,000 in 1947, has brought about the general concession by game biologists that deer feeding is a waste of effort and money.

Game Refuge

Red Lake game refuge and hunting grounds, comprising 434,580 acres in Beltrami and Lake of the Woods counties, is the largest game refuge in operation in Minnesota. Here are found almost all species of Minnesota game life and two species, the elk and the caribou, not to be found in any other part of the state.

Movement of Birds

It has been claimed that the Persians and Arabs compiled portions of their calendar according to the regular movement of the birds, and the only mysterious part of this natural phenomenon to them was the destination of the flyers. During the earliest years of the Christian era, writers believed that swallows hibernated in hollow trees in the winter.

Colma City Council Is Considering Extension Of Collins Avenue To Junipero Serra Boulevard

It soon may be much simpler to get from Colma to Junipero Serra boulevard.

This was the good news today, following the regular monthly meeting of the Colma city council Wednesday.

At the Wednesday morning meeting it was decided to make a preliminary survey of the possibility of extending Collins avenue to the boulevard.

When the survey has been completed, it is expected bids will be asked on the job.

Present estimates are that the extension would include about one-half mile of new road.

At the present time residents of Colma must go up to Market street, or take other bypasses to reach Junipero Serra boulevard.

Mayor Pete Barsi and all the councilmen approved the measure for the survey. Councilmen at the meeting included: John Newton, John Price, Earl Taylor and Bartly Flynn.

Other than approving payment of bills, no other business was transacted by the council.

Jeff High PTA Plans Fall Bazaar

Reminding everyone that Christmas isn't too far off, the Jefferson Union High school PTA has completed plans for an annual fall bazaar.

The bazaar will be held November 4 at Masonic Temple, 17 Hillcrest. Activities will begin at 10 a.m.

Among the many booths there will be a food sale, sewing, a rummage sale, and a plant and flower display.

In addition to the bazaar, a luncheon will be served to the public.

Remember, do your Christmas shopping early, and come to the Jefferson High school PTA fall bazaar, November 4.

Good for Food

Did you know that dandelion is a good food crop? It is a hardy, cool-climate crop adapted to much the same conditions as kale and spinach. It will grow through winter if mulched over lightly, and produce greens very early in the spring.

Mrs. Sunderman Heads Broadmoor Women's Group

New president of the Broadmoor women's group of the Community Presbyterian church today is Mrs. Henry Sunderman.

Other officers elected to the organization October 11 include: Mrs. John Seif, vice-president; Mrs. Don Hagger, secretary; Mrs. Lamont Sundman, treasurer.

Various chairmen elected were: Mrs. Jack Gordon, welcome committee; Mrs. Ernest Galladay, house committee; Mrs. William Clark, transportation; Mrs. Chris Gnesios, telephoning; Mrs. Jack Gordon, flowers.

The election meeting was held in the home of Mrs. John Lepine. She was assisted by Mrs. Don Hagger. Speaker for the meeting was The Rev. John A. Glasse. Mrs. Caroline Freiland was soloist.

Meetings of this group are held the second Tuesday of each month. The next meeting will be November 8. Anyone in Broadmoor or Garden Village is invited to attend.

At the present time the women are purchasing new maroon choir robes which are to be worn at Thanksgiving. They also are furnishing the church kitchen with needed equipment.

Those interested in joining the group may call Juniper 7-8735.

Jack L. Henry Dies October 7

Jack L. Henry, 38, 425 Knowles street, died at the Fort Miley Veterans Hospital October 7.

A resident of Daly City for the past three years, Henry was a native of Iowa.

He is survived by his widow, Mrs. Mary L. Henry; his mother, Mrs. Gladys Pringle; three brothers, Rex, Glenn and Dr. George Henry; a sister, Miss Beverly Henry.

Funeral services were held at the Halsted-Dierks chapel Monday. Interment followed at Golden Gate National cemetery.

Broadmoor Church Offers All Men Fellowship Day

Broadmoor men interested in fellowship meetings are invited to attend such a convale at the Broadmoor Community Presbyterian Church October 20.

The meeting will be held at the church, 87th street off Junipero Serra blvd., from 7:30 to 9:30 p.m. All men of the community are invited to attend.

A succession of speakers, a community sing, plus motion pictures will make up the principal entertainment for the evening. Refreshments will be served.

For the children of Broadmoor, the church has movies every Saturday from 10 a. m. until noon. These include a variety of features from cartoons to serials. All of the movies are especially chosen for youngsters.

There is no charge to attend the movies. However, a silver offering will be taken.

With another eye on the children, the church also provides safety patrol boys during the Sunday school services at 9:45 a. m. These patrol boys are on duty at the dangerous intersections leading to the church.

Holy Angels Bazaar Hailed As Big Success

Hailed as a great success today is the Holy Angels Church bazaar held in Colma October 1 and 2.

While the exact amount of money raised for the use of the church is not known at this time, Father Anthony F. Morrissey said he would disclose the figure next week.

Meanwhile, there are many people in the area who have more than just memories of the bazaar. These are the ones who took home awards ranging from a car to a kitchen stove.

Luncheon Dish

Dried beef may be torn into small pieces, sauteed in butter or margarine and then added to a sauce made of condensed mushroom soup and milk. Served on toast or in a noodle ring it makes an excellent luncheon dish.

Executive Meeting Colma PTA Set For October 18

Meeting at the home of Mrs. Stella Jensen, Clark and D streets, Colma, October 18 will be the executive board of the Colma PTA.

All officers and chairmen are requested to come and help plan the unit's birthday pot-luck supper. The meeting is scheduled to begin at 1:30 p.m.

Those wishing to attend the meeting are asked to contact Mrs. Edward Dennis at Delaware 3-8959.

Meanwhile the Colma PTA "Get-Acquainted Day and Teachers' Tea" was held October 4. Mrs. Edward J. Dennis, president, announced that the theme for the coming year is "Our Golden Opportunities in State and Community."

James L. Snell, Jefferson elementary school district superintendent, explained the new school bus operation. He also explained two new booklets, "Your Child in Kindergarten" and "Elementary School in Action," that are of great value to parents whose children are just starting to school for the first time.

Nancy Hopper, Jefferson school 5th grader, played two electric guitar solos.

The Rev. John A. Glasse, of the Broadmoor Community Church, was a guest of the afternoon. The members were pleased to have a number of the teachers come to the meeting and chat with the parents.

Refreshments were served after the business meeting by Mrs. Allen F. Mori and her committee.

Mrs. Jensen Attends CCPT Annual Meeting

Mrs. Stella Jensen, Clark street, Colma, recently attended the annual meeting held by the CCPT for school administrators and trustees. Mrs. Jensen attended the conference as a clerk of the board of San Mateo Junior College.

The meeting was held in Santa Cruz and featured various section meetings. The section meetings were held each day and consisted of various lectures and demonstrations concerning the work of trustees and newly-elected board members.

One of the principal speakers was Roy Simpson, superintendent of public instruction for California. He spoke on the work of the officials in elementary schools, high schools and the junior colleges.

The meeting concluded, at least for Mrs. Jensen, on Wednesday with the CCPT annual luncheon.

Susan Laugenour Newest Citizen Of Colma Area

Another new resident has been added to the Colma population roll. The new citizen is Susan Louise Laugenour, daughter of Mr. and Mrs. Eugene Laugenour, 107 Village lane. The 7-pound-13-ounce girl came into the world September 22 at Stanford Lane hospital.

Mrs. Laugenour is employed by the Veterans Administration in San Francisco.

Mrs. J. Jennings Dies At Home

A resident of Daly City for the past 21 years, Mrs. Jenny Jennings, 75, 244 Acton street, died at home Monday, October 10.

Mrs. Jennings was a housewife and member of Madrona Temple Pythian Sisters of Healdsburg. She was the widow of Joseph Jennings.

Surviving Mrs. Jennings are: a son, Charles; a daughter, Mrs. Mary Gregor; three grandchildren, Mrs. Barbara Galindo, Ronald and Donald Jennings; and a great-grandchild, Jerry Galindo III.

Also surviving Mrs. Jennings are two sisters, Mrs. W. F. Brooks and Mrs. Mayme Burke.

Funeral services were held Wednesday at the W. C. Lasswell chapel. Interment followed at Woodlawn Memorial park.

Potato Goes to Britain

Regarding the introduction of the potato into Great Britain, the two legends more generally believed are those surrounding Raleigh and Drake. According to the first: Solanum tuberosum, the common potato of our fields and gardens, was first introduced by Sir Walter Raleigh who brought the roots from Quito and caused them to be planted in his own garden at Youghal, Ireland.

Many Activities At Broadmoor Lutheran Church

Broadmoor Lutheran Sunday School Rally Day held Sunday, October 2, was a complete success. Most of the children present for this first occasion of this kind in the new church's history were accompanied by one or both parents.

Special features of the first annual Rally and Promotion Sunday were singing by the children, recitations, a specially-prepared semipantomime of the story of the day, "Moses' Birth," the presentation of various attendance awards, and a brief message emphasizing the need of Christian training for parents and children today, by the Rev. Max Zschiegner, pastor.

Also included in the beginning of the new quarter for the Lutheran Sunday school was the welcoming of three new teachers, Henry Keefer, Mrs. J. W. Hirschberg, and Mrs. Stanley Jensen (the latter two both being of the Village).

LUTHERAN SUNDAY SCHOOL
The mothers of Sunday school pupils of Broadmoor Lutheran Church held their first meeting Thursday, September 29, in the home of Mrs. J. W. Hirschberg, 612 87th street, in Broadmoor Village.

All present had an enjoyable evening and promised whole-hearted support in working for the welfare of the Sunday school. Plans were made to hold the next meeting Thursday, October 27, at which time election of officers is to take place, and aims and purposes of the organization shall be discussed. All mothers of children attending Broadmoor Lutheran Sunday school are asked to remember this date, Thursday evening, October 27.

BIBLE CLASS

A group of adults interested in the basic teachings of the Bible meet each week under the leadership of Pastor Max Zschiegner of Broadmoor Village.

Anyone not enjoying active membership in a Christian congregation is welcome to attend these stimulating discussion periods held weekly on Thursday evenings at a home of one of the villagers to be announced. The meeting this evening (Thursday, October 13) is the second of the series. It is not too late, however, to join this discussion group, if you believe you would like to know more of "What Does the Bible Say?"

This evening's meeting is held at 3 p.m. at the home of Chief Boatswain and Mrs. Ernie Bowlin, 1028 Nimitz drive, Broadmoor Village.

Colma, Broadmoor, Garden Village News Wanted For "Record"

This section of the "Daly City Record" is especially for those people living in the Colma, Broadmoor, and Garden Village areas. We wish to print news of your neighbors, but we need your help. Part time news writers are needed from these areas. In addition anyone with news of births, weddings, clubs, and so on in these areas can have items printed in this section. Anyone interested in sending in news is asked to contact the "Daly City Record" at 3317 San Jose avenue, Daly City, or phone Juniper 5-3215.

Funeral Services For Azzo Keesee

A retired caretaker, Azzo Keesee, 65, died October 6 at Villa Sanitarium after an 11-day illness.

Keesee was living with his daughter, Mrs. Pauline Hatchel, 114 East Vista avenue, before he went to the sanitarium. He was a native of Missouri and had lived in Daly City for the past two years.

Other survivors include: sons, James D., William H., and Glenn A., and a grandson, James Hatchel.

Funeral services were held at 1 p.m. Saturday at the W. C. Lasswell chapel. Interment followed at Olivet Memorial cemetery.

Coffee, Haitian Mainstay

Since the founding of the Haitian republic 145 years ago, coffee has been the mainstay of its economy. In recent years such products as sugar, sisal and bananas have been developed largely by foreign capital and under foreign control, but the great crop upon which more than any other, Haiti's many peasants depend for the little money they must have for their purchased necessities is coffee.

Correspondents Wanted In Broadmoor, Colma, Garden Village
The "Daly City Record" wants correspondents in the BROADMOOR, COLMA and GARDEN VILLAGE areas. These part-time news writers are needed so this paper may better serve the readers in the aforesaid areas. It is preferred that correspondents be active in club and social work in their respective districts. Anyone interested is asked to contact the "Daly City Record" at 3317 San Jose Avenue, Daly City, or phone Juniper 5-3215.

SF Post Office Has Undelivered Foreign Letters

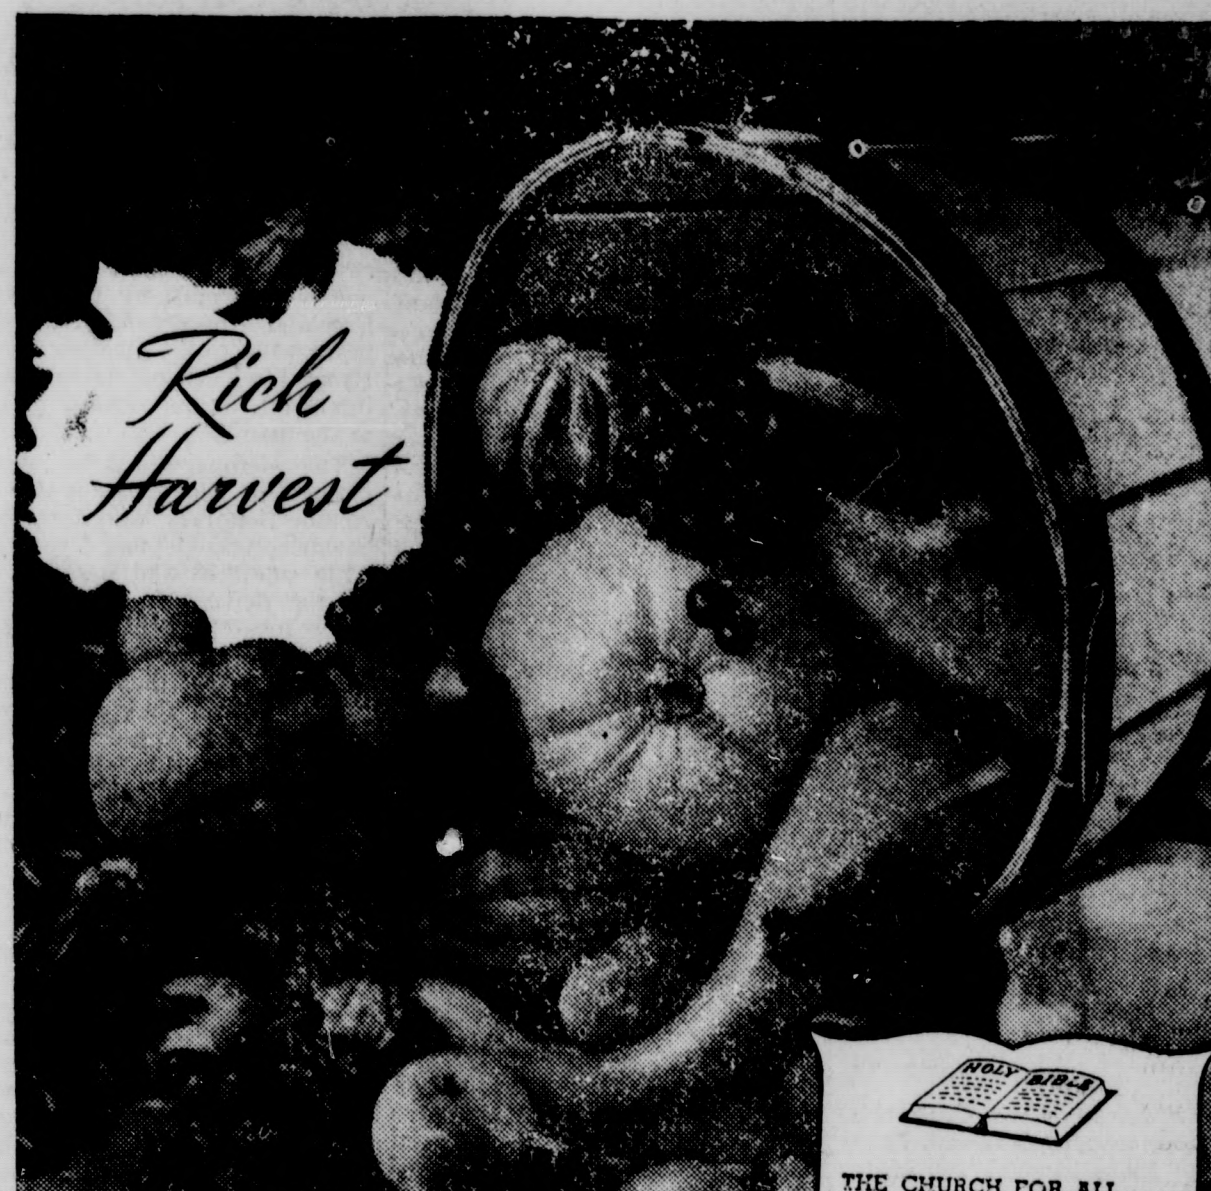

That letter you expected from a friend or relative overseas but never received, may now be at the San Francisco post office.

John F. Fixa, acting postmaster, said today many letters from foreign countries are received daily with insufficient or improper addresses. This type of mail is given directory service and every effort is made to place these letters in the

With a 1948 rate of 47.7 telephones per 100 residents, San Francisco headed all the American cities throughout the 48 states and the District of Columbia.

hands of the intended addressees. However, in many cases the post office is unable to deliver as no directory listing can be found.

As a public service these undeliverable letters are held for a period of 30 days in the Information Section, Window 17, Main Post Office, 7th and Mission streets. Patrons expecting mail of foreign origin may call and inquire if their letters might be among the unclaimed.

Rich Harvest

THE CHURCH FOR ALL... ALL FOR THE CHURCH

These are the products of man's labor—and God's. From the moment the seedlings were placed in the warm earth, they have been under constant care.

First came the rain and the sun—and then the ceaseless work of fertilizing, cultivating, and spraying. Last, came harvest time, when the proud growers gathered the rewards of their labor.

Only by such diligence, can we hope for a truly bountiful crop. God has given the refreshing rain and warm sunshine, but He expects us to do our part.

And so it is with the care and cultivation of our spiritual lives. Man is endowed with many talents and qualities, but unless he tends and nurtures these gifts, they will not increase and grow.

Harvest time in the life of every person is at maturity, when men are at the peak of their usefulness and wisdom. By attending the services of the Church and by studying the Scriptures, we will realize greater happiness and contentment here on earth—and will be preparing ourselves for the RICH HARVEST of a life hereafter.

Combined PTAs Offer Variety Show At "Father's Night," October 18

Each local P.T.A. will take part in presenting talent from their schools. At Woodrow Wilson, a group of 14 boys and girls of Mrs. A. Boswick's 4th grade will sing Spanish songs. Crocker School offers a piano solo by Carol Bale, an electric guitar solo by Jerry Echo, impersonations by Sherwood Rupp, and a mirimba solo by Alice Quickert.

A representative of Colma School will play several selections on the accordion. General Pershing P.T.A. executive board and children will present a one-act skit. For their contribution to the Father's Night program, Jefferson dance band will present several popular numbers.

Although this program is especially prepared to honor "fathers," both parents are invited to attend.

Happy Birthdays!

Although this is a big month for all lovers of Hallowe'en food stuffs, it is even bigger for 12 people in the Daly City area celebrating birthdays.

To these 12, Harry the "Happy Baker," wishes the best of every birthday found on exclusive birthday cards.

Harry also wishes that these persons would drop in and receive his personal congratulations. He will be glad to sell them a small cake, or even a large one, or perhaps a pumpkin pie.

September 15 — Madeline S. Hages, 50 Candlestick road, San Francisco; Emma Ordonez, 115 San Pedro road.

September 16 — Bill Heinze, 60 Mateo avenue.

September 18 — Grace Moline, 15 W. Cavour; Edith M. Silvestri, 163 Werner; Anne Flick, Rt. 1, Box 185, Colma.

September 19 — Mary Eberle, Rt. 1, Box 178, Colma; Angela Hornick, 151st street.

September 20 — Mrs. C. Pinochi, 169 Mateo avenue; R. Rossi, 73 1st avenue; Flora Pinochi, 169 Mateo avenue.

Woodrow Wilson PTA Membership Campaign Begins

With the membership campaign of the Woodrow Wilson PTA getting underway this week, parents were reminded of the importance of joining the PTA.

Those parents who take an interest in their children's school work and activities will find that teachers will take a more active interest in the training of their youngsters, a Woodrow Wilson PTA official said.

The PTA is the place to bring your problems and your interest for the sake of your children, your youth and your community.

Meanwhile, Mrs. Henry Adams, program chairman, announced this week that a change in the program has been made for "Father's Night," October 18. Replacing the Wilson "Rhythm Band" will be 14 boys and girls from the fourth grade singing Spanish songs under the direction of Mrs. Aileen Bostwick.

Mrs. W. M. Cheatham, president, attended the regular meeting of the executive board October 10 at Burlingame. She reminded all parents to listen to "The Inquiring Parent," a CCPT radio program, Tuesday on KSMO.

Representing WWPTA at the next regular district meeting to be held at Half Moon Bay Thursday, October 20, will be Mrs. Henry Adams and Mrs. W. M. Cheatham.

Attending the parent education classes Thursday, October 20, being conducted by the Burlingame PTA will be Mesdames James Snell, Earl White, John Sorensen and Henry Adams.

"So far as fish and wildlife conservation is concerned, restoration of the habitat ought to be the first consideration, not the last."—Ontario, Canada, Department of Lands and Forests.

New Arrivals In Daly City and Vicinity

To the wife of John Joseph Smith Jr., 50 Cliffside drive, October 5, a daughter.

To the wife of David P. Brown, 236 Rhine street, October 2, a son.

To the wife of Harold T. Carmichael, Box 277, Colma, September 30, a son.

To the wife of Anthony J. Cerko, 368 Citrus avenue, October 3, a daughter.

To the wife of Moses Mateo, 125 Goethe street, October 3, a son.

To the wife of Chester R. Olmanson, 137 Bismark street, October 2, a daughter.

To the wife of Ralph R. Pinelli, 1775 Sweetwood drive, October 5, a daughter.

To the wife of Elbert Arthur Rose, 460 Ellington avenue, October 4, a daughter.

To the wife of Harold E. Wertenberg, 231 Templeton avenue, October 4, a daughter.

To the wife of Henry C. Henning, 3 Brumise terrace, October 1, a daughter.

Carol Johnson Will Be Wed

Mrs. Genevieve Johnson, 1158 Brunswick, announced the engagement of her daughter, Carol Ann Johnson, to Wendell Sawyer at the Claremont Hotel October 1.

Carol is a graduate of Saint John's Ursuline High school, San Francisco. She is employed by a San Francisco firm.

Windell, as the future bridegroom, is a native of Nashville, Tennessee.

The couple is planning a November 5 wedding at 7 p.m. in Our Lady of Perpetual Help Church.

Gen. Pershing PTA Membership Campaign Begins

By Mrs. E. K. Whinnon

The first regular meeting of the year for General Pershing P.T.A., which was an exceedingly large one, was opened by Mrs. George Freeland, president, reading a poem, sent to the meeting by Miss Pansy Jewett Abbot, county superintendent, as part of her greeting to the members.

The membership drive was explained to the assembly by Mrs. Arthur Benofsky. The date set for the drive was October 5 to 21. One little sidelight and personal note on the drive: My children came home most enthusiastic and told me about the cars in their rooms and how if the cars in their rooms finished first, their room would get a prize, and urged me earnestly to join. If the other children show this interest and enthusiasm their mothers are sure to be persuaded and the enrollment of new mothers large and gratifying.

Report on the cake sale held Saturday the 8th: Results were very satisfactory. Thanks to everyone who in any way added to its success. We particularly want to thank the Record for its help in publicizing the sale and Sprouse-Reitz for its cooperation in permitting the sale in front of its store.

These were the highlights of the CCPT meeting held in Burlingame as reported by members attending: It was unanimously agreed that Dan Daily is a remarkable speaker, and a wish was expressed by some members that he might be obtained to speak to General Pershing. Mr. Daily, it was stated, likened the Rosenberg Foundation to an airplane ride in this way: Anyone riding in an airplane could see the countryside as a whole, not in little patches as one on the ground would see it. He said the Rosenberg Foundation, being an independent unit, could see the problems of education better and more as a whole than most organizations, because it was not confined to one small group, but viewed all the parts as a unit, and was therefore in a better position to help education where it would do the most good. Mr. Daily stated the Foundation was allocating from \$500 to \$1,000 to California for parent education. One form of this education is the sponsoring of short radio talks by CCPT Tuesday mornings from 11 to 11:15 over KSMO. The series at present is entitled "Inquiring Parent." The first topic, which was presented October 4, was "Humor in the Home." Good humor, fortunately. Reports on the program were very favorable.

Other interesting points brought out were: health, its importance to happiness and disposition of the individual. Importance of religious training in guiding the child in building a better foundation for his life. Appreciation and full enjoyment of the many fine things we are apt to take too much for granted.

An interesting talk on home decoration was given by Mary Peck, interior decorator. Members showed much interest and many questions were asked of Miss Peck about decorating problems for various rooms and color schemes. Miss Peck graciously answered each question asked her.

Mrs. Margaret Clark's fourth grade room won the prize for having the most mothers in attendance at the meeting.

James Snell, district superintendent, made a short speech of greeting to the assembly and apologized for having to hurry away to attend another meeting.

The able decorations, as usual, were attractive and in keeping with the season of the year. The Hallowe'en theme was carried out in autumn leaves, shocks of corn, pumpkins, and goblins lurking about.

IOJD Bethells Plan Joint Meeting Friday, Oct. 21

Holding a joint meeting October 21 will be two of the International Order of Job's Daughters Bethells. Bethel No. 183, San Francisco, will hold a joint meeting with Bethel No. 28 at 7:30 p.m. at 4705 3rd street, San Francisco.

Chairman for the evening will be Diane Barton. Principal theme of the meeting will be based on Hallowe'en.

SOCIETY

Legion, Auxiliary To Hold Hallowe'en Party October 28

With pumpkins ripening on the vine, the American Legion and the Auxiliary No. 410, Daly City, are planning a Hallowe'en party October 28.

Although the traditional pumpkin will be king of the dinner side of the party, there also will be a variety of other dishes. In fact, the variety should be remarkable as this is going to be strictly a pot-luck feed.

Following the dinner, other forms of entertainment will fill Legion Hall, 474 San Diego, where the party is being held.

All Legion and Auxiliary members and their friends are invited to attend the dinner and party. Those coming are asked to wear some appropriate costume.

Further information on the pot-luck dinner and party may be obtained by calling Mrs. Margaret Rector at JUniper 7-6882.

MID-CENTURY STYLING—Slim lines in bulky fabric are achieved through faultless tailoring by a famous Paris designer from her mid-century collection. Sweeping capes that screen each narrow sleeve give dramatic emphasis to the simple fitted jacket that tops an equally simple tubular skirt.

Girl Scouts Int. Troop No. 2 Elects Leaders

Division of the Girl Scout Intermediate Troop No. 2 into patrols was the principal business of the October 10 meeting at Our Lady of Perpetual Help hall.

The meeting got underway at 3:30 p.m., as the troop leadership was turned over to Mrs. Irene Cripps. Following this the troop was divided as follows:

Patrol 1: Leonora Finn, leader; Judy Lebert, Myra Gray, Patsy McGraw. Patrol 2: Marguerite Cripps, leader; Francine Vaznaugh, Carol Donofrio, Jean Chamberlain.

Jean Chamberlain was voted to retain the position of news gatherer.

The troop will start soon on a needlecraft badge and each of the girls has been asked to fulfill one assignment by next week.

Comics Discussed On PTA Program

Next Tuesday's broadcast (October 18) in the Inquiring Parent series on KSMO (1550 kc) will be titled "What About the Comics?"

It will be heard at 11:15 a.m. Like the preceding programs, it will feature Dr. Luther Woodward, child psychologist and field consultant with the National Committee for Mental Hygiene.

These transcribed presentations, being heard nationwide, are locally sponsored by 17th District, California Congress of Parents and Teachers, as a guide to parents in the solution of juvenile problems.

Pastel Dresses—Pastel dresses can be worn with bright blue, beige, tan, gray, red, green, black, and white, usually with purple or navy blue shoes, and sometimes with browns.

Jeff High "Guff"

By Bettie Duffy

DANCE PLANNED

At the meeting of the entertainment committee last Thursday, October 6, it was decided that our second dance will be held October 28. The dance will be called the "Hawkins Hop." School clothes will be worn. Tickets will be 50 cents with student body cards and 75 cents without.

CLASS ELECTIONS

Class elections were held Friday, October 7, and the following officers were elected:

Senior class (high) — president, George Hill; vice president, Don Greene; secretary, June Devlin; treasurer, Doris Varni.

Senior class (low) — president, Harold Mosman; vice president, to be run off later; secretary, Barbara Mack; treasurer, Helen Barazza.

Junior class — president, Pete Delino; vice president, Ann Allen; secretary, Shirley Huntington; treasurer, Dot Foley.

Sophomore class — president, to be run off later; vice president, Ann Shotts; secretary, Jackie Berard; treasurer, to be run off later. Freshman class — president, Joanne Van Vleet; vice president, Marjorie Duncan; secretary, Margaret Ratto; treasurer, Louise Massoni.

100% FOR SENIORS

When student body cards go on sale each semester, a contest is held between classes to reach 100% sale. This semester the "Almighty Seniors" won first place, freshmen, second place, sophomores, third place, but we'll just forget to mention the junior class.

ART DEPARTMENT

This semester the art department under the instruction of Miss Baciocco will be very busy. Already they have finished their first assignment in scratchboard technique which included still life in color. They are going to be kept quite busy making posters advertising school activities which include all school dances, special shows, the play, "John Loves Mary," and the Aquacade.

The more advanced students are working on individual projects including life drawings and landscapes.

In the leathercraft classes the students have already finished leather book marks and key cases and are ready to begin working on purses and wallets.

CALENDAR OF EVENTS

October 18: Basketball — Serra (here)

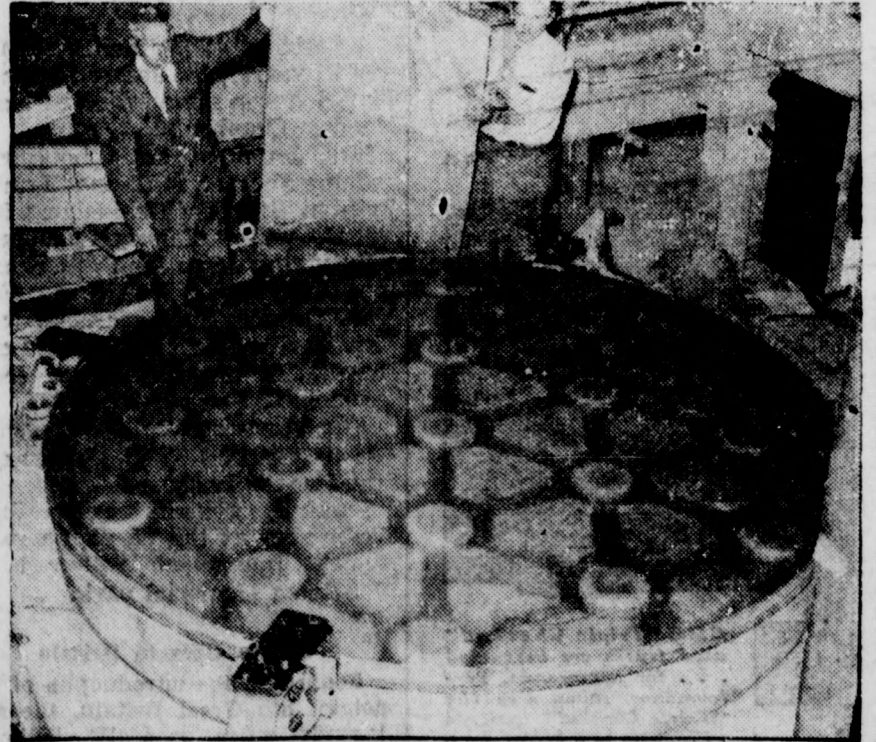

October 20: Frosh-soph football — Sequoia (there)

October 20: Basketball — Sequoia (there)

October 21: Varsity football — Sequoia (here)

October 21: DEFICIENCY NOTICES

Mexican authorities founded Sonoma Mission as a first step in their plan to check advance of the Russian encroachment in California.

THINGS ARE LOOKING UP—Dr. C. D. Shane, left, director of the Lick Observatory on Mount Hamilton, near San Jose, Calif., and engineer W. W. Baustian examine the huge mirror purchased for the telescope under construction at the observatory. Exceeded only in size by the 200-inch giant at Mt. Palomar, the 120-inch disk was cast in 1933 to make tests on the design of the Palomar mirror. Purchase of the mirror advances the Lick project about two years.

The Rev. Adkins Will Speak At The Church Of God

The Rev. James R. Adkins, former pastor of the Assembly of God in Daly City, will be the speaker at the 11 o'clock Sunday morning worship service, and also at the 7:45 p.m. evening evangelistic service.

This will be his farewell service prior to sailing October 20 for the Philippine Islands where he will be the new pastor of the church in Baguio City, Mountain Province.

Rev. Adkins served several years in that area during the recent war where he received the Purple Heart. He is now returning with the message of salvation to those needy souls.

Everyone is cordially invited to attend these services. Melvin W. Steward is the new pastor of the Assembly of God Church, 6276 Mission street, Daly City.

Sunday afternoon the members and friends of the Daly City Assembly of God Church will meet at 3 p.m. in the church auditorium for special instructions and literature, then they will be sent out in groups of two into various parts of the city. This survey will continue until every home is contacted in the city.

The purpose of this drive is to reach the unchurched of our city with an invitation to attend church somewhere. Also to seek to enroll the children of Daly City in Sunday school, if they are not enrolled elsewhere.

This is a part of the expansion plan that is being followed by the church. The Assembly of God is making plans for the erection of a beautiful new building in the near future. The lots have been purchased and progress is being made toward the plans for building.

In keeping with one of the most prominent points of its doctrine, the Assembly of God church will have a special divine healing service to which everyone is welcome, each Friday evening at 7:45.

WOMAN'S COUNCIL

The regular meeting of the Woman's Missionary Council met October 12 at the Assembly of God Church, 6276 Mission street. As a special guest was Mrs. Mary Allison, who recently returned from Hoopa, California, where she has been doing missionary work among the northern California Indians. She related her various experiences of the work in that part of the state.

Also special birthday guests for the past month were Mrs. Susan Jacobsen, Mrs. Dean, and Mrs. Mary Black. These ladies were surprised at the regular meetings the past month with gifts for their birthdays.

These present at this writing were Judith Kelm, Myrtle Woodhall, Mary Black, Ethel Pettigrew, Susan Jacobsen, Mary Allison, and President Daisy Cole. The children present were Jane Jacobsen, Shirley Cole, and Judy Kelm.

New Bethel International Order Job's Daughters Accepting New Members

A new Bethel of the International Order of Job's Daughters will be instituted November 27.

Any young lady between 12 and 20 years with Masonic relations desiring to become a member may do so by joining the new Bethel.

The new Bethel will be instituted in Crocker Masonic Temple. Further information may be obtained by calling Mrs. Isabelle Baker, Overland 1-2538.

Club Correspondents Wanted To Write Society News

In an effort to better serve the clubs and other organizations in the BROADMOOR, COLMA, GARDEN VILLAGE areas, the "Record" wants to hire correspondents. These news writers will be asked to turn in all current news about various clubs and other society activities in their respective areas. Persons interested in writing "society news" for these districts are asked to contact the "Daly City Record," 3317 San Jose avenue, Daly City, or to phone JUniper 5-3215.

Jeff High Sets Highwater Mark For Fashions

(There are fashions and fashions, but we defy anyone to compete with the clothing now being worn by the lads and lassies of Jefferson high school. For those parents who wish to keep up with their student children, this article should be interesting. It is published in full from the "Totem Pole," and written by DOLORES FURIOSI.)

This fall, strutting gloves are a "must." They set off a whole outfit. Most girls at Jeff have white ones which can be bought at almost any store for \$1. The other colors—blue, pink, yellow, and green—are about \$2. Nylon ones can be obtained for \$2.95. They sure are worth it 'cause they last and last. They can also be washed.

Last week after the rally a vote was taken by the senior girls as to whether they wanted to have a sweater or a blazer jacket. The blazer jacket won out with a small block placed on the upper pocket. As soon as the price is determined, the jackets will be ordered.

The boys also voted on which jacket they wanted. They voted on a blue jacket and gold stripes down the sleeves. If ordered quickly they will be obtained in a month.

At the game Friday night some of the girls were seen with Robin Hood hats. They can be obtained in school colors with the opposite colored feather to go with it. They look very cute, girls.

Not only do girls dream up fads but the football team featured white socks and white shoestrings at the game last Friday night. Pretty soon they'll have flashy colors to go with them.

Notice the colors of nail polish the girls have been wearing. Lois Huber had royal blue nails to match her blue printed dress while Nancy McCaffrey had hers polished in gold. Pat Norberry took some green paint from her Dad's shop and used some colorless polish over it. Gayle Hutchison had yellow nails matching her blonde hair.

Ribbons have come back to life again but this time they are very, very narrow ones compared to the wide ones that used to be worn about three years ago. The ribbon is worn around the head and tied into a bow at the side. Come on, girls, let's spend just a few more cents for some ribbons.

Bethel Lutheran Is Church Meeting Center, October 18

Bethel Lutheran Church, Alemany boulevard and Huron avenue, the Rev. Herbert P. Schroeder, pastor, will be the meeting place of the Golden Gate Conference of the California and Nevada District of the Lutheran Church — Missouri Synod.

The conference will meet for three days, October 18-20, beginning with a divine service on Tuesday morning, together with the celebration of the Sacrament of Holy Communion. The local pastor will serve as liturgist and the Rev. Gerold Oldsen of Santa Cruz will deliver the sermon. Fifty pastors are expected to be in attendance.

On Wednesday evening two sound motion pictures will be shown in the parish house. "The Sickle or the Cross," which was produced by the Lutheran Laymen's League in Hollywood, will be shown for the first time. The second film is entitled "Answer for Anne," and is a picture on displaced persons. It has been awarded a gold "Oscar" as the best religious film for 1949.

The ladies of the church will serve the noon meals for the members of the conference in the parish hall. Mrs. Meta Schieve is in charge.

"John Loves Mary" Jeff High Fall Play Production

Fall play production of Jefferson High school this year will be the Broadway smash hit, "John Loves Mary."

The Norman Krasna play will be produced on the boards of the school auditorium stage November 4. Lyndy Rivera and Steve Ward have been selected to play the two leading roles mentioned in the title of the play.

Miss Eunice Seaton is directing the play.

"Though the two sweethearts of the title are by no means so tragic a pair as Romeo and Juliet or Tristan and Isolde, they are nevertheless a star-crossed pair whose hilariously un-smooth course of true love made this one of New York's biggest comedy successes," Miss Seaton said.

The ability of the author to furnish gay entertainment is attested by the fact that it was the same Krasna who wrote the favorite "Dear Ruth."

The troubles of Mr. Ward and Miss Rivera in their respective roles of John and Mary are largely the result of some monumental forgetfulness on the part of a character named Fred, who will be played here by Bob Mink. Fred forgot to tell his war-time buddy he had gotten married, and thereby he almost ruins the prospects of a happy marriage for John and Mary. This role made a great star out of Tom Ewell, when "John Loves Mary" was first produced in New York, and since much of its effectiveness then was due to Ewell's ingeniously comic voice inflection and pantomime, a good deal of responsibility will rest on Mr. Mink.

Others in this cast will be Jerry Hart, as a Senator "with whom not even food would have the nerve to disagree," Peggy Jones will be his understanding wife, an ex-army lieutenant with a phobia on West Pointers, and Russell Murphy will be an obnoxious army general who too helpfully removes all the obstacles John contrives for his marriage to Mary. Others in the cast will be Diane Gorkosky, Allan Davis and Gene Dalkus.

SERIOUS BUSINESS—Chosen queen to reign over National Wine Week, Pat Hall picks a few wine grapes near Hollywood, Calif., in preparation for the event. Taking her new title seriously, Pat is learning the business from the ground up.

Crocker PTA Holds Teacher Reception And Tea October 11

One of the most impressive "Teachers' Tea and Receptions" ever given, was held at the Crocker PTA meeting October 11.

The meeting room and tables were decorated in the fall colors of oranges and yellows and browns. The table was arranged beautifully by Mrs. Ann Ingersoll. Tea was served by Mrs. Eve Hobbs and Mrs. Marie Sorenson.

In this setting of fall beauty the meeting was called to order by Crocker PTA officials.

President Mrs. Edwin Schmidt of Crocker PTA was the guest of honor. Other guests of honor were the principals and teachers of the Jefferson elementary school district, Mr. and Mrs. James Snell, Mr. and Mrs. Hugh Falconer, Mrs. Radence O'Bryant, Crocker counselor.

Carrying out the theme of the state PTA, "The Golden Opportunity," and the district PTA, "Stepping Stones," speakers addressed the meeting on the home, church, and school, respectively.

Mr. Snell represented the school, Mrs. O'Bryant the home, and The Rev. William Harberts the church.

Following the speeches, Mrs. Carol Freeland sang two numbers, accompanied by Mrs. Traveler on the piano.

Other news of the Crocker PTA this week includes:

Mrs. Schmidt attended the presidents meeting of the state PTA organization in Burlingame October 10. She also was on hand for an assembly of the Crocker school October 5 where she said a few words on the PTA after being introduced by Virginia Chan, student body president.

Crocker school will be well represented at "Father's Night" October 18. On hand to give the proper amount of entertainment will be: Miss Carol Bate, piano; Miss Alice Quickert, marimba; Jerry Echols, electric guitar; Sherwood Rupp, impersonations.

Worm Medicines For Foals
Veterinary authorities are not in favor of giving worm medicines to foals at weaning time, because the most dangerous species of internal parasites have not yet reached maturity and are not accessible to the action of drugs in the intestine.

Egg Shells for Livestock
Egg shells are an excellent source of calcium and the calcium is almost 100 per cent digestible. Calcium is essential in bone development and is added to livestock feeds.

Burglars Get \$200

(Continued from Page 1)
then shimmied up a drain pipe to an open window in the lavatory. Going through the window, the thief attempted to pry open several pin ball machines with a one-half inch bar, but succeeded only in getting one open. He got an undetermined number of nickels from the machine.

Then turning to a small back room, the burglar pried open the locked door with two knives. Once in the room he went to a small drawer where the \$200 was kept, in change and currency, in a cigar box.

Returning to the cash register, he took a valuable wrist watch and the keys to the back door of the establishment. Opening the back door, he left.

FOR AFTER FIVE—New York labels this simple wool jersey cocktail dress as perfect for today's young career girl. Sparkling beads brighten up the trim Peter Pan collar and the sleeves are the three-quarter length so stylish this fall.

Plan Christmas Seal Campaign

San Mateo County's District Attorney, Louis B. Dematteis (center) has been named chairman of the San Mateo County Tuberculosis and Health Association's 1949 Christmas Seal campaign, which will start next month. Conferring with him on the Christmas Seal drive are Mrs. Leonard J. MacWilliams, Burlingame, chairman of all volunteers for the campaign, and Dr. Harold D. Choje, director of the County's department of public health and welfare. District Attorney Dematteis was named chairman today by Bradford M. Melvin, president of the County Health Association.

Spanish-American War
Spanish-American war followed the sinking of the battleship Maine in Havana harbor, February 15, 1898.

TEST YOUR 'I. Q.'

1. What is the name now given to the area formerly known as 'New Connecticut'?

2. From where does the word 'hello' get its derivation?

3. In November, 1929, the married couple jumped to the earth in parachutes after the wedding was performed by a New York justice of the peace.

4. A one per cent tax was placed on gasoline in 1919 by the state of Oregon.

5. The prize was awarded to Prof. Albert Abraham Michelson in 1907 for his remarkable work in the study of light.

Oil From Soy Beans
A bushel of soybeans yields about nine pounds of oil.

Answers to TEST YOUR 'I. Q.'

1. The territory roughly approximating the Cleveland, Ohio, area was formerly known as "New Connecticut," because it at one time belonged to the New England state.

2. The greeting "hail" was made colloquial by changing its form to "hail-o." From this it gradually evolved into the greeting we use today.

3. In November, 1929, the married couple jumped to the earth in parachutes after the wedding was performed by a New York justice of the peace.

4. A one per cent tax was placed on gasoline in 1919 by the state of Oregon.

5. The prize was awarded to Prof. Albert Abraham Michelson in 1907 for his remarkable work in the study of light.

Oil From Soy Beans
A bushel of soybeans yields about nine pounds of oil.

Judge W. J. Sweeney never forgets a face, and in police court Friday he recognized a boyhood friend whom he had not seen in 30 years. The friend, identified only as Welsh, appeared before the judge to answer a charge of speeding leveled against his employer. He pleaded guilty for his friend, and Judge Sweeney fined the friend \$10. After this perfunctory action Judge Sweeney spent six minutes talking over old times with Welsh. The conversation ended with Judge Sweeney remarking "Do you remember when the horse dropped dead under me?" This observer didn't hear the answer.

Dick Hopman was one of 10 Boy Scouts from Troop 40 who were present at the annual Camporee for the Boy Scouts of America held October 7 to 9 at Julius Kahn Playground in the Presidio to teach boys the rigors of camping. Ted Hopman, camping activities chairman for the Lake Merced district, also was present to lend a hand with the campfires and to present awards to the troops of his district. Over 1,000 boys from the San Francisco area took part in the camping.

Mrs. Marion McKaskle, 315 Wellington, reports this week that she is still doing her bit for the navy and attended the bi-monthly Volunteer Composite Unit No. 12-18 W. USNR, of which she is a member. During the meeting some confidential information was disclosed to the women "gobs," but Mrs. McKaskle reports this is as hot as the present controversy over the army air force and airplane carriers. Mrs. McKaskle can say she enjoyed a movie shown at the meeting, entitled "Welcome to Britain." Although the closest she has ever come to great bodies of water is as an employee in the city water department, Mrs. McKaskle admits she would like to cross the broad Atlantic to get a look at jolly, old England. Gad, the power of the movies knows no bounds.

It may be a little late, but its no secret around 224 Wyandotte that Mr. and Mrs. Clifford E. Twonbley have a new baby girl. She's been with the Twonbleys for the past three weeks, and they report she is doing nicely. The baby girl also gurgles that she likes Daly City. The Twonbleys only recently moved here from other parts of the country.

Just in case other parts of this paper have missed, here's wishing Happy Birthday to the following members of El Carmelo Parlor No. 158, NDGW: Marian Balestreri, Hildur Cook, Florence Becker, Marie Gilbrech, Anne Biggio, Wanda Higgins, Margaret Clatterbuck, Lillian Collety, Madeline Koskela, Pauline Quirele, Helene Valleria and Barbara Giagini.

Neville Motors Receives Ford Dealership FMSF Award For Excellent Finances, Management, Spirit, Facilities

Grace Church Nazarene Sunday School Contest

During the next six weeks, starting Sunday, October 16, the Grace Church of the Nazarene, 101 Vista Grande avenue, will be in an inter-zone Sunday school attendance contest.

The Daly City church, with six other churches in San Francisco and the peninsula, is classified as the Golden Gate zone, having average Sunday school attendance of 671 Bible students. Their competitors, the Monterey Bay zone and the Butte zone, have an average attendance of 781 and 648.

The 23 churches comprising the three zones will attempt to raise their average attendance of 2100 to 2500 during the six-week period. The Daly City church invites anyone who is not at present attending another Sunday school to come and lend his support to the local church during this contest. Classes for all ages meet each Sunday at 9:45 a.m.

At the 11 a.m. worship service the message will be "Holiness Unto the Lord." A solo will be rendered by Leo Collar. The choir, composed of more than eighteen young people, will sing "Wonderful Grace of Jesus." At the evening service the message will be "The God Who Answers by Fire." Reverend John A. Nicholson will preach both sermons.

At 7 p.m. Verna Mae McKisson will have charge of the Young People's Hour. "Bible Math" will be the topic of interest. The ages for membership in the Nazarene Young People's Society are twelve to forty but all ages are welcome to attend their meetings.

On Tuesday, October 18, the American Bible Society will present a sound motion picture entitled "The Book for the World of Tomorrow." The program, starting at 7:45 p.m., will be presented in the main auditorium of the church with Reverend W. M. Mack in charge. The public is invited to attend.

Merritt Beckerman, 1852 Sweetwood drive, Broadmoor, is paying closer attention to the brake handle, on his car these days. Last week his auto broke loose from its mooring at the curbstone in front of his house. For some 30 seconds it rolled down the street taking a few fences, and bumping into a telephone pole. Despite the driverless trip damage to both car and surrounding property was slight, police said.

An award for "industrial citizenship" was given Tuesday by the Ford Motor Co. to the employees and management of Neville Motors, 7300 Mission.

The recognition for outstanding performance by Neville Motors during the past year was in the form of a special certificate of merit. This award is given annually on a competitive basis to all qualified Ford dealerships.

Community Chest Drive Almost Completed in DC

With the Community Chest drive almost ended in Daly City, residents today were asked to help put it over the top.

The drive ends Saturday, October 15. Quota for the drive is \$2,500. None of the Community Chest officials seem to be able to give a figure as to collections to date.

However, there is some sad news from the home front. Mrs. Jane Keith, residential drive chairman, reports that about 80 per cent of those contacted have already given in San Francisco.

"We realize that no one should have to pay more than his or her share," Mrs. Keith said. "Next year we hope to remedy the situation so Daly City people can give to their own Community Chest and not to San Francisco."

Frank Lombardi, business drive chairman, reported his side of the Community Chest was doing well. But he had no figures as to what each business has given.

General Chairman Paul Green could not be reached for comment.

Those wishing to donate any sum, from 25 cents to \$25, are asked to contact one of the following people: Mrs. Keith, JUniper 4-3576; Mrs. Francis Windhurst, JU 7-2332; Mrs. Marie Sorenson, JU 4-9452; Mrs. Agatha Hayden, JU 4-9149; Mrs. Keller, JU 4-5079, and Mrs. Hobbs, JU 7-9792.

Preventing Cattle Bloat
To keep bloating in check, hungry cows should never be turned into a lush clover pasture without first feeding them all the nutritious hay they will eat just before turning into pasture. This can be accomplished by taking cattle off pasture early in evening and feeding hay next morning before allowing on pasture.

Value of Arrow Poison
Curare, ancient South American arrow poison developed as a pain killer by modern medical research, has proved to be a valuable addition to anesthetics used by the throat surgeon. Curare is used to supplement and reduce high dosages of common anesthetics.

Nitrogen Supplies
Supplies of nitrogen, phosphate and potash for commercial fertilizers are expected to be about 10 per cent larger in 1949 than they were in 1948.

Presettlement of the award certificate was made by O. L. Noble, assistant district manager of the Ford Motor Company's Richmond district, during a special program held at the offices of the dealership. The award was received on behalf of all of the employees by A. W. Neville.

The Four Letter Award, a new form of recognition recently developed by Ford, is given only to dealerships with a high performance record in four major principles of successful dealership operation. These four principles are: financial stability, progressive management, competitive spirit, and adequate facilities.

In making the award, Noble congratulated the assembled employees and members of management for maintaining high standards of courtesy and production, and for offering the highest possible type of automobile sales and repair service to customers and the community.

"By winning your four letters for finance, management, spirit, and facilities, or FMSF," he said, "you have earned a position on our 'first team' in the coming competitive battle for leadership in the automotive industry. Looking at it another way, your FMSF award is an indication that in this community Ford must stand first!"

The Neville Motors Ford Dealership has been an "industrial citizen" of Daly City for the past five years. It was started by Ira Neville, Lee B. Neville and A. W. Neville when they purchased the National Auto Co., former Ford dealers at this same location.

The certificate has been mounted on a plaque for display in the local company's showrooms. Continued leadership in all of the principles of the Four Letter Program must be maintained in order to retain it on an annual basis.

Water Projects Pay Off
Crops valued at \$225,235,236—highest on record—were produced in 1947 on 15 federal reclamation projects in the Pacific Northwest, according to the bureau of reclamation. The previous high was set in 1946, when farmers grossed \$210,337,163.

President's Omen
Neither political party in the 60-year period has elected its candidate for the presidency immediately after losing an off-year election.

"Injun Summer"
Indians believed that the masses of red in the autumn trees was from the blood of the Great Bear slain by celestial hunters.

60 seconds at the wheel...

and you'll know the new Ford "Feel"

60 seconds behind the wheel and you'll "feel" the difference. You'll feel the solid comfort of the "Mid Ship" Ride on "Sofa-Wide" Seats... the ready response of that power-packed engine, be it 100 h.p. V-8 or 95 h.p. Six.

You'll feel those "Hydra-Co" and "Para-Flex" Springs step over bumps... The 35% easier stopping "Magic Action" Brakes... Ford's new "Lifeguard" Body and 5 cross member, box-section frame structure—59% more rigid.

You get "looks," too! The famous New York Fashion Academy judged it "Fashion Car of the Year." See it—try it—order, now!

Take the wheel...try the new FORD "FEEL" at your Ford Dealer's!

NEVILLE MOTORS

7360 MISSION STREET JUNiper 7-4813

—AWARDED THE FASHION ACADEMY GOLD MEDAL AS THE "FASHION CAR OF THE YEAR"—

Jefferson Elementary School District Football Season Opens -- Crocker, OLPH Schools Defeat Woodrow Wilson, Jeff.

Opening the Jefferson school district touch football season last Friday, Crocker and Our Lady of Perpetual Help School defeated Woodrow Wilson and Jefferson, respectively.

This was the first of a series of six games to be played between the four schools. Other games will be run off each Saturday until November 12.

On November 19 the championship playoff will be held to determine the best team in the league.

All of the games are played at Marchbanks field at 10 a.m. and 11 a.m., respectively. This year the field has been divided into two playing sections.

Under this system of dividing the field, both the "A" and "B" teams of each school play at the same time. General supervisor of the league, Erle Johnson, explained each of the schools is divided into two teams. In this way, boys of the same general age and weight can compete against one another, and the teams are more evenly matched.

Making a clean sweep of the field, both A and B football teams of the Crocker school took the Woodrow Wilson teams by 15 to 6 and 18 to 6, respectively, Saturday.

This was the opening game for the Crocker Coyotes (A team) and the Coyotettes (B team).

Much of the credit for the win can go to Crocker's captains, Martin Verece and Dick Kalinin, heads of the A and B teams, respectively.

Both captains had the plays mapped out to the point where every man knew just what to do at the right time and place. Although the players are young, they went onto the field Saturday with the same discipline and physical stamina of a much older group of lads.

The Saturday game also showed that the Crocker team is going to be hard to beat this year. They have an excellent offense and defense setup. In addition they have a line that is tops for spirit and ability to smash into the opponents' best planned defense.

Another bit of credit must also go to Coach Bill Tergis. He has taken these young boys and turned them into first class gridiron material.

Members of the A team include: Martin Verece, right half; Hank Ziegler, right end; Ross Benavides, fullback; Joe Cerrito, quarterback; Tom Costello, left end; George Spontos, center; Larry Neuner, right end; Ken Moudy, fullback; Bruce Selmi, quarterback; Neil Lundy, center; Jack Plunkett, left end; Don Benckendorf, quarterback; and Wayne Hyde, right end.

The B team will include: Dick Kalinin, halfback; Don Austing, left end; Bill Stiff, right end; David Kruse, center; Robert Morris, center; Richard Yates, quarterback; Wesley Watson, left end; Dick Rusting, quarterback; Bill Gensol, halfback; Gil Newcomb, left end; Ellis Pizzi, Robert Bridges, Bert McKenna, Bill Jones, Louie Cooper, Roland Bloom, Don Curry.

Indians Open Season Friday Against Lincoln

By Milton Tromborg

Sporting the scalps of Mt. View and Menlo Park at their football belts, the Jeff High Indians open the first game of the season Friday, October 14, against Lincoln at Lincoln.

This is the game that will count, as the first two gridiron plays were only in the realm of practice.

Lincoln will be a rough team to beat, but if the Indians can improve their defense they should come home with their third win of the year. The game, as the other six of the season, will be played in the afternoon.

Now let's take a look at last Friday's game with Menlo.

Last Friday afternoon the Jeff High varsity came home with their second win of the season when they butchered Menlo High by the high score of 39 to 0.

Though the game proved to be interesting, it was not spectacular for either team. Menlo did not have an offense or a defense to stop the Indians, so the Jeff backfield ran the ball on the ground and scored six times.

On defense, the Jefferson line looked very poor and will have to improve if they expect to hold their own when they meet a team with a good offense. Coach Glenn South let his first string play the first half and the second string the second half.

In the first quarter neither team could score, but in the second quarter Jeff opened up with a ground attack in which they scored 12, 65, and 3 yard runs.

In the third quarter Jeff scored once on a 10 yard run. Then in the final period, Jeff made two more tallies on 8 and 32 yard runs. The scoring was done by Bill Tienken, who made two tallies, George Ritter one tally, Max Klien one tally, Leroy Gonzales one tally and Bob Gallagher one tally. Ed Perrens kicked for three extra points.

Jefferson gained 362½ yards on running and passing while Menlo gained 67 yards. Jefferson lost 36 yards on penalties and Menlo 5. Jeff fumbled once, and Menlo three times. Jefferson intercepted two passes and Menlo two.

Boys who saw action were Baggetta, Baher, Bricker, Childress, Druhan, Gallagher, Giannini, Gonzales, Green, Hamann, Harrison, Hill, Klien, Lagomarsino, Laufenzburger, Lemon, Marcy, Martinez, Phillips, Perrens, Piccolotti, Ritter, Roland, Tienken, Wilson.

Don Lungi did not get in the Menlo game, thanks to a leg injury he suffered in an earlier game with Mt. View.

The last quarter saw neither team score, and the game ended at a 13 to 13 tie. Jack Allain played a good game at end and showed that his height, six foot seven, could be very deceptive in catching passes. Don Espinoza played very good ball at left half and made some very good runs in the game. Ray Tschirgi burned the grass up on his running at the right half slot. The whole Jeff line played good ball on both offense and defense. Jeff will open the 1949 season when they play Lincoln at Jeff October 13. The boys will be out to win their first game of the season. Jeff has won none, lost none, and tied two.

Colma Boys Club Loses 7 to 8 To All Stars

By the tight score of 7 to 8 the Colma Senior Boys Club dropped a game to the Vallerio All Stars in the Seals Stadium Winter League last Sunday.

This makes one game won and one game lost for the Colma lads. Sunday at 12:30 p.m. they will have a chance to rack up another score in the winner's column when they play Regal Pale. As usual the game will be held in the Seals Stadium.

Last week's loss can directly be traced to the fact that the Colma boys made more errors than the All Stars.

It certainly wasn't a loss due to hits. The Colma team reached first base more often than the All Stars, but somehow they had more difficulty crossing home plate.

Once again this week pitcher Ottonello deserves credit for a good game as does Ed Milano. The Milano lad smacked a triple, driving in two runs.

Broadmoor, Garden Village, Colma Sport News Wanted

The "Record" wants to write about those games now being played or planned in the BROADMOOR, COLMA, GARDEN VILLAGE districts. If YOU or your friends have any sports news from these areas the "Record" will be glad to print it on this page. Help us make a paper which will get your name, and the name of your favorite team in print. Any sports news, from Daly City, or the aforesaid areas may be mailed to the "Daly City Record," 3317 San Jose avenue, Daly City 25; or may be phoned in by dialing JUNiper 5-3215.

FROSH-SOPH TIE SERRA

Playing their second practice game on their own field, the Jefferson frosh-soph tied the Serra frosh 13-13 last Friday, October 7.

It was a game of running and passing and both teams looked good on both offense and defense. The Jeff frosh proved their power on the ground by a few long runs and some passes to Jack Allain, a six-foot-seven end. Jefferson gained 234 yards on running and passing and Serra 205. Jeff lost 30 yards and Serra 51. Jefferson fumbled the ball once in the backfield as did Serra.

Jefferson kicked off to Serra in the first quarter, with Serra losing the ball on their own 19 yard line after trying a few running plays which the Jefferson line stopped. Jeff took over and Don Espinoza ran the ball on three running plays. Jeff did not make the extra point, so at the end of the first quarter, the score stood Jeff 6, Serra 0.

In the second quarter, Serra showed their air power when they completed a 48 yard pass play from their own 48 to the Jefferson 12, and one play later Serra scored on a run play for their first tally. Serra also missed the extra point and score stood 6-6 for a few minutes.

Jefferson took the kick-off on their own 6 yard line and advanced the ball up to their own 25 yard line. On a pass to Jack Allain, Jeff advanced the ball to their 38. Don Espinoza ran the ball to the Serra 48. Then Charles Tienken took an end around run and ran 48 yards for the second Jeff touchdown. This time Jeff made the extra point and went into the lead by the score of 13-7.

Jeff took the kick-off on their own 10 yard line in the third quarter and could not advance the ball at all. They punted to their own 22 yard line, where Serra took over. On the first play Serra took an end run for 19 yards and tied the ball game up.

The last quarter saw neither team score, and the game ended at a 13 to 13 tie. Jack Allain played a good game at end and showed that his height, six foot seven, could be very deceptive in catching passes. Don Espinoza played very good ball at left half and made some very good runs in the game. Ray Tschirgi burned the grass up on his running at the right half slot. The whole Jeff line played good ball on both offense and defense. Jeff will open the 1949 season when they play Lincoln at Jeff October 13. The boys will be out to win their first game of the season. Jeff has won none, lost none, and tied two.

10s-20s TAKE OPENER

Under the bold coaching of Coach Orlich, the Jefferson High 10s and 20s came home victorious last Thursday, October 6. The 10s won by the score of 22-19 and the 20s, 27-22. The tens were behind in the game until the last minute where the boys rallied and came back to win the game by the final score of 22-19.

Mustangs Take Hawks 34-0; Play Devils Saturday

The Daly City Mustangs recorded their sixth victory of the season last Sunday by defeating the Sacramento Hawks 34 to 0 in a Western Football League game.

The Mustang coaches, Ferrando and Dilly, unleashed a devastating ground attack that completely baffled the Hawks, who were informed to prepare for an aerial offense. This victory puts the local team one step closer to a chance for the championship.

The first tally on the scoreboard appeared early in the first quarter when Wyman, the defensive tackle, blocked a punt behind the Hawks' goal line that was scored as a safety. Mustangs 2, Sac Hawks 0.

Midway in the first quarter Chambers raced around end from 9 yards out to score. Marlowe scored the extra point on a QB sneak. Mustangs lead, 9-0.

In the second quarter Adams on an end around ran 25 yards to the Sac 15. On the next play Marlowe passed to Adams in the end zone. Extra point was made on a pass from Chambers to Adams. This ended the first half. Mustangs 16-0.

The second half found the Mustangs producing their fourth touchdown. Midway in the third quarter Chambers started around left end. In his path were three Sac men. Chamber seemed trapped but little Flash Ross charged in and threw one of the most vicious blocks seen this year to break Chambers clear and into the end zone from 18 yards out.

The Mustang coaches then sent in their other offensive team. Backfield men were Sperou, Dockery, Tudoni, and Plyer at QB. This outfit, led by the line busting of Dockery and the amazing speed of Sperou and Tudoni and Plyer produced two more Mustang tallies in the fourth quarter. In the first minute of play Dockery smashed through the line and into the clear and raced into the end zone. There was an offside penalty, however, that nullified the play.

Three plays later Dockery again smashed through and ran 26 yards through the Sac secondary for the TD. Midway in the period little Jim Sperou shot off tackle for 14 yards but had the ball knocked out of his arms. Sac recovered. Ironically, Sperou scored when the Mustangs took possession in a few minutes later.

The TD was set up when Plyer threw a beautiful 25 yard pass to end Dick Myers, who made a sensational catch by jumping up in the air between two Sac men and literally stole the ball from their grasp. On the next play Sperou shot off tackle and into the end zone from the 14 yard line and scored the insurance TD.

No one lineman on the Mustang team can be singled out for outstanding play for it was a completely organized unit playing with everyone playing in complete unison.

Saturday night at 8:15 the local team will meet the highly-rated Oakland Devils. The negro team is rated as one of the strongest in the league. The game will be played under lights on the San Francisco State college field, 19th and Holloway, San Francisco.

The Devils, an all-colored team, have a large following from Oakland and San Francisco. We hope the people of Daly City will support their local team.

Everyone Asked To Use Jeff High Gymnasium, Pool

Athletic facilities at Jefferson High school are now available to all members of Daly City families.

The swimming pool at the school is open five days a week, Monday through Friday, for residents from 7:30 p.m. until 9:30 p.m.

However, due to the coming of winter and the necessity of repairing the pool, it will be closed November 19 and will not open again until March, 1950, Coach Glenn South said.

The high school gym also is open for use during the week from 7 p.m. until 9:30 p.m. Principal facilities at the gym consist of basketball and badminton courts.

"We want to get as many basketball players out as possible," South said. "We might be able to get enough teams and players to start a league."

"If fishermen can begin to count it more sporting to limit the catch and size of the fish than to have mere numbers on the string, fishing can continue to be fun for generations." — San Rafael Independent

J. S. Merchants Drop First Game In "AA" League

In their first game in the Class "AA" National League last Sunday, the Junipero Serra Merchants were defeated 10 to 4 by Tufo Jewelers.

This was the first of eight games the merchants will play in the league. Sunday at 3 p.m. they will take on Syl's Service at Harrison.

Last Sunday's game was almost a walk-away for the Jewelers. They had 10 runs in the ninth inning, and the Merchants were facing a big 0.

Then, perhaps inspired by the Dodger's come-back in a recent Series' game, the Merchants drove in four runs in the last inning.

Most of the "driving" credit can go to Fred Fazio who smacked the old pill for a two bagger, and sent three lads across the home plate.

A complete schedule of Sunday games to be played in the National League is as follows:

October 16—Syl's Service at Harrison, 3 p.m.

October 23—Grosso Music at Funston No. 2, 3 p.m.

October 30—1093 Club at Marchbanks, 2 p.m.

November 13—Cooper-Varni at Marchbanks, 2 p.m.

November 20—Holloran's Log Cabin at Funston No. 1, 1 p.m.

November 27—Les Vogel at Marchbanks at 2 p.m.

December 4—Horsetrader Ed's at Harrison, 1 p.m.

Navy Offers Electronic Study

A 42-week course in the operation and maintenance of electronic equipment, including television and radar, is being offered to qualified young men by the navy recruiting service.

The course is given at the navy electronics school at Treasure Island, San Francisco. Young men may, without obligation, take the mental and physical tests required to determine if they are qualified for this course. This electronics course is one of many that schools of the navy are offering.

Further information on the navy's training program may be obtained by phoning or visiting the navy recruiting station, Post Office building, San Mateo, phone DIamond 4-2781.

Fishing, Hunting Pamphlets Free For Asking

Although reading a book won't make a good fisherman or hunter, it sometimes can help.

Well aware of this fact, the California Division of Fish and Game has published several pamphlets and books on various aspects of fishing and hunting.

Copies of these official publications may be obtained (subject to available supply) without charge by writing to Education and Information Section, Ferry Building, San Francisco, California.

Other publications of a technical nature are available to college level students and instructors, libraries, schools, scientists, and other individuals.

Here is a partial list of the publications:

GAME ANIMALS
Life History and Food Habits of Mule Deer in California, Pronghorn Antelope in California, Mountain Sheep of California, Care of Deer, Ducks, and Trout.

GAME BIRDS
Increasing Valley Quail, The Quail of California.

FRESH WATER FISHES
The Trout of California, Striped Bass Fishing Map, Weight and Age Determination of Striped Bass, Trout Fishing for the Beginner in Southern California Streams.

MARINE FISHES
Common Marine Fishes of California, Edible Bivalves of California, Let's Go Fishing (mimeographed).

MISCELLANEOUS
Status of Beavers in California, The Owls of California, Fish and Game Laws and the Reasons for Them, Forest Handbook for California.

REGULATIONS
Abstract of Angling Regulations, Abstract of Hunting Regulations, Abstract of Commercial Fishing Laws and Regulations, Summary of Federal Migratory Bird and Waterfowl Hunting Laws.

"When fishing, your catch is the most expensive food you ever obtained. But if you just want fish, you'd be better off just going to the fish market." — Herbert Hoover

"There is no real excuse for a 'gun accident.' There are only explanations and usually lame ones." — Ted Durein, Monterey Peninsula Herald.

"Hunters who are true sportsmen should punish the unscrupulous hunter with the butt end of a rifle, if necessary." — Richard W. Weswood, president, American Nature Association.

STATEMENT OF THE OWNER, SHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1913, AND JULY 2, 1946

Of Daly City Record published weekly at San Francisco Post Office, Daly City Branch, on Thursday, October 6, 1949.

State of California, County of San Mateo—ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Harold P. Bradshaw, who, having been duly sworn according to law, deposes and says that he is the Publisher of the Daly City Record and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily, weekly, semi-weekly or tri-weekly newspaper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the act of August 24, 1912, as amended by the acts of March 3, 1913, and July 2, 1946 (section 537, Postal Laws and Regulations), printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher—Harold P. Bradshaw, 3317 San Jose Avenue, Daly City, California.

Editor—Harold P. Bradshaw, 3317 San Jose Avenue, Daly City, California.

Managing Editor—Harold P. Bradshaw, 3317 San Jose Avenue, Daly City, California.

Business Manager—Harold P. Bradshaw, 3317 San Jose Avenue, Daly City, California.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern its name and address, as well as those of each individual member, must be given.)

Mrs. J. W. Marchbanks, 3317 San Jose Avenue, Daly City, California.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)

None.

4. That the two paragraphs next above, giving names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and that said affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is 1710. (This information is required from daily, weekly, semi-weekly, and tri-weekly newspapers only.)

HAROLD P. BRADSHAW,
Sworn to and subscribed before me this 30th day of September, 1949.

Daly City Police This Week "Tag" All Residents

Everyone in Daly City should be getting a ticket from the police department this week.

The tickets are also going to cost residents money, but unlike other such notices received from the police department, these are going to bring returns.

Principal return will be admission to the 21st annual Policemen's Ball, Saturday evening, October 29. Yes, those tickets are ducats to the dance.

Instead of selling from door to door this year, the Peninsula Police Officers' Association is sending the tickets through the mail. Organization officials believe more people will purchase tickets if sales work is done in this manner.

Another new plan going into effect this year will be the mailing of a smartly-styled book containing a picture of every police officer. The book will accompany the ducats and will not only show the handsome officers but also give a short history of the police department.

"It is hoped this book will be enjoyed by every member of the family and will acquaint every resident of the community with the men who guard their property and lives every day," an association official said.

As always, the dance and entertainment is held this year to raise funds for the widows and orphans aid fund.

Glass Lined Coat

Some day you'll be wearing a coat lined with glass! A material made of fiberglass is soft as satin, sheer as chiffon, but will give you the insulation against cold that will keep you extra warm.

Legislation Topic 17th District CCPT Meeting, Oct. 20

Legislation will be the keynote of the forthcoming 17th District California Congress of Parents and Teachers meeting in Half Moon Bay Thursday, October 20.

Registration will begin at 9:30 in the union high school. Sessions are open to the public. District President Mrs. J. M. Foley will be chairman of the all-day session.

Attendees will take their own luncheon to the meeting, but dessert and coffee will be served. Reservations are being made by Mrs. L. B. McGee, Daly City, Juniper 4-9416.

Primarily, the stated objective of the meeting will be to disseminate information about the policy of CCPT on legislation and launch all possible steps in 17th District to promote child welfare.

PTA interest in these acts has been aroused by the fact that almost half a million California children are deprived of their educational opportunities through the lack of decent schoolroom facilities. Proposition 1 will provide State aid to get schools built in communities without funds for educational expansion to meet their basic needs.

CITY OF DALY CITY STATE OF CALIFORNIA NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received at the office of the City Clerk of the City of Daly City, California, at the City Hall, until eight o'clock P.M. on Monday, the 24th day of October, 1949, at which time they will be publicly opened and read, for installing storm water and sanitary sewers, constructing brick manholes and installing tunnel liner plate vertical shaft in Marchbank Park and S. P. Company right of way.

No bid will be received unless it is made on a proposal form furnished by the City Engineer. Each bid must be accompanied by cash, certified or cashier's check, or bidder's bond made payable to the City of Daly City for an amount equal to at least ten (10) per cent of the amount bid, such guaranty to be forfeited should the bidder to whom the contract is awarded fail to enter into the contract.

All bids are to be compared on the basis of the City Engineer's estimate of the quantities.

Forms of proposal, and specifications may be obtained at the office of the City Engineer, 2382 Broadway, Redwood City, California.

The special attention of prospective bidders is called to the "Proposal Requirements" being a part of the specifications, for full directions as to bidding, etc.

The City of Daly City reserves the right to reject any or all bids.

CITY OF DALY CITY,
B. C. ROSS, City Clerk.
Publish October 13 and 20, 1949.

St. Vincent DePaul

(Continued from Page 1)
clothing and shoes for a very small sum. Most of these children were members of families of men who have been out on strike during the summer months.

The price of an article, Mrs. Jones said, is determined by the customer.

"If they look like they can afford to pay \$1 for a pair of shoes, that's what we charge. On the other hand, if they can't pay anything, we give them the shoes free of charge."

Although many citizens of the community are unaware of the Society's services, there are still some 40 to 50 people a day who make purchases at the Daly City branch.

And these people buy everything from clothing to such "useful" items as a weight reducing machine.

"Many persons come here looking for items they can't find in the regular stores," Mrs. Jones explained. "One of them was the weight reducing outfit. Then, too, there are those who will need an item, such as crutches, for only a few weeks and don't want to pay a retail price."

Another outlet for many articles are the people in want in every corner of the globe from Japan to Italy. Those persons who have friends or relatives overseas are urged to come to the Society. There they will find every kind of clothing item, which for this purpose, is sold for almost nothing.

"During the past year we've outfitted hundreds of people left desolate by the war," Mrs. Anderson noted.

The Saint Vincent De Paul Society isn't just for those in need. No, it is also for persons who wish to give. Anyone with extra clothing, furniture, stoves, or almost any type of item, is asked to give it to the Society.

To keep those who wish to give, a truck will pick up any items in this area every Monday. Those wishing to donate items are asked to call DELaware 4-4363. A truck will be sent out to get them at no charge.

Assisting Mrs. Jones in her work is Mrs. Flora Norris. Between them, the two ladies keep the Daly City branch open six days a week from 9 a.m. to 5 p.m.

Whether you want to buy or give, you are urged to pay a visit to the Society. Everyone is welcome to come in and look around. Remember the address, 6740 Mission.

Two Boys Injured

(Continued from Page 1)
bike in a collision at Los Olivos and San Diego at 7:18 p.m. He was coming south on San Diego when he collided with a car driven by John F. Wichtendahl, 22, 354 Spruce street, San Francisco.

Neither the motorcycle nor the car sustained heavy damage police report. No citations were issued.

Young Michael was hit by a car driven by Pearl M. Dehoney, 341 Acacia avenue, San Bruno. She told police she was driving north on Niantic and had made a turn into Citrus avenue when she saw Michael on the south side of the street.

She slowed down, then turned to see some children on the north side of the street. The next thing she knew she had hit the young boy, police said.

Officers believe Michael darted out into the street to recover a shoe he had thrown.

Pending further investigation of the accident, no citations were issued.

STRICTLY FRESH

EVERYBODY talks about the weather, and along about this time of year, some people begin to swear at it.

Ladies' hemlines will go up a bit this fall. As far as the men are concerned, it's a nice little lift.

Week-end Wrecks Injure Four; Two Cars Total Loss

Minor injuries were sustained by four people in Daly City week-end accidents that also totally destroyed two cars, badly wrecked two others, and injured a horse.

Worse wreck of the week end occurred at noon Sunday at the intersection of Mission and E. Cavour when a car driven by Louis DeMartini, 38, 792 Hillside boulevard, collided with a vehicle driven by Jerry Horkey, 60, 25 E. Cavour street.

DeMartini, Horkey, and a passenger in DeMartini's car, John Franco, 34, Box 1886, Colma, all were injured. They were rushed to Junipero Serra hospital and treated for minor lacerations, abrasions and bruises.

DeMartini's car was a total loss, police said, while Horkey's automobile will need extensive repair on its front.

The accident occurred at the intersection as DeMartini was going north on Mission and Horkey was coming south and attempted a left hand turn into E. Cavour.

In another wreck at 7:32 p.m. Saturday, David Boblitt, 48, 171 Siskies avenue, San Francisco, collided with the rear end of a bus at Mission and E. Mollie. The force of the collision completely wrecked Boblitt's car, police report. Boblitt, except for minor bruises, was uninjured.

However, the bus driver, George W. Cushing, 38, 2525 29th avenue, San Francisco, did not hear Boblitt hit the bus, police said. He continued to drive on, until flagged down.

Boblitt claims there were 15 passengers in the bus who might have seen the wreck, but did not speak. Police said there were no witnesses.

The collision occurred when the bus stopped, and Boblitt continued to drive on into the back of the bus, police said.

Riding a horse Sunday at 10 a.m. Dennis Myers, 16, 82 West View, San Francisco, collided with the side of an automobile on Highway No. 1, 600 feet west of Belmont drive. The force of the collision injured the horse's right front leg, and Myers sustained a bruised wrist when he was thrown from the animal.

According to the driver of the car, Evan T. Pugh, 36, Golden Gate avenue, Belvedere, the accident happened when he was driving down the highway, slowed down to let the horse pass, and when the horse didn't pass sped up.

As soon as Pugh put on speed, the horse bolted and hit the left side of the car. Pugh was not injured but the side of his car will need repairing.

In the final accident of the week end, a hit-and-run driver struck a parked car belonging to Orlando Palletti, 34 San Pedro road. The car was parked in front of 42 San Pedro road at 9:14 p.m. Sunday. Police said Palletti's vehicle sustained minor damage.

Palletti's car was parked in front of 42 San Pedro road at 9:14 p.m. Sunday. Police said Palletti's vehicle sustained minor damage.

D. C. Boys Club

(Continued from Page 1)
ticket and also help the Boys Club will be assuring themselves an evening of real enjoyment.

With the theme of "Harvest" as the center of the dance, there will be a first class band. Although the band will concentrate on those steps familiar to folk dancing, square dances, polkas, and the like, there will also be plenty of popular music.

In addition to a first class band, the evening will also feature many door prizes. Description of the prizes will be given at a later date.

So why not buy a ticket? There probably is no more worthwhile thing in this community you can support than the Boys Club, Lombardi said.

"We want to make this club succeed. It is our answer to juvenile delinquency. With a club like this we can keep the boys of Daly City off the streets with good, healthy entertainment," Lombardi said.

Further information on work done by the Boys Club may be had by consulting the September 29 issue of the "Daly City Record."

Tickets for the "Harvest Dance" may be purchased at Lombardi's 6498 Mission; Shannon Hardware, 6370 Mission; Kirchhubel's, 6296 Mission, or from any member of the Daly City Boys Club.

Indians Named 'Em
From the Indians and Spaniards Colorado takes many names for its towns, rivers and mountains, such as Sangre de Cristo, blood of Christ; Colorado, color red; San Juan, St. John; Cimarron, wild or unruly; Culebra, snake; Cucharas, spoon; Pueblo, Indian village; Rio Grande, grand river; La Veta, the vein; La Junta, the junction.

Fresh Eggs
Maintenance of egg quality depends on method and temperature of storage. Newly gathered eggs kept at room temperature will deteriorate as much in eight days as will refrigerated ones in 100 days.

"NOSIEST MUTT I EVER SAW"—Somebody better explain to Lobo, the German Shepherd, that this is no ordinary sniff—it is an aptitude sniff which is being executed by Princy, one of those New York canines with a nose for learning. The miniature pinscher is being tested for reaction to stranger Lobo as part of the entrance exam to Dr. Frederick Reiter's Canine University. Princy's proud mistress, Claudette Sorel, looks hopeful as Princy comes through with flying colors.

Letter To The Editor

October 5, 1949

Dear Sir:

I have learned that a press release stating that I am a member of the Italian committee supporting the candidacy of Gerald J. O'Gara, has been released by his headquarters and sent to the various newspapers.

I wish to state that I have never authorized the use of my name in support of his candidacy — and that I am not a member of his Italian committee.

On the contrary, I am a member of the North Beach Committee sponsoring the candidacy of City Attorney Dion R. Holm for retention in office, and will actively campaign for Mr. Holm.

I would appreciate your publication of these facts.

Sincerely,
Elios P. Anderlini
Attorney-at-Law

Daly City Record
Daly City, California

I wish to extend my sincere thanks to the Daly City Fire Department, Fire Commissioners and staff, Widows and Orphans Association, Daly City Council, and Station No. 1 for all the kindnesses and pleasures rendered at my retirement.

To Station No. 1 I tip my ex-fire hat as you're my favorite.

Sincerely,
LARRY SHAW

Crow Is Gregarious

Crows, except during the nesting season, are gregarious. After the young ones are out of the nest, flocks ranging from half a dozen to more than a thousand may be seen in fall and winter at some favorite feeding, drinking or bathing site.

More Park Land

(Continued from page 2)
avenue, San Francisco, was awarded the contract for installation of 10-inch pipe from Junipero Serra well to the Citrus avenue pump-house. His bid was \$1,913.

Abatement proceedings against property at 121 Eastlake were put over until October 24, while proceedings against property at 272 Los Banos was put over until November 28.

The city engineer said the Hillside improvement project of streets was completed at a cost of \$3,900.

Eaton & Smith was awarded the Alp street repaving work, between Mission and Hillside avenue. They bid \$1,700.

The population of Daly City was increased by 30, officially, with the confirmation by the state department of public works of the annexation of a section of the Abbey Homestead. Total population of Daly City is now 13,600, Mayor Green estimated.

Plans for sewer and storm water facilities at Marchbanks Park were discussed and passed.

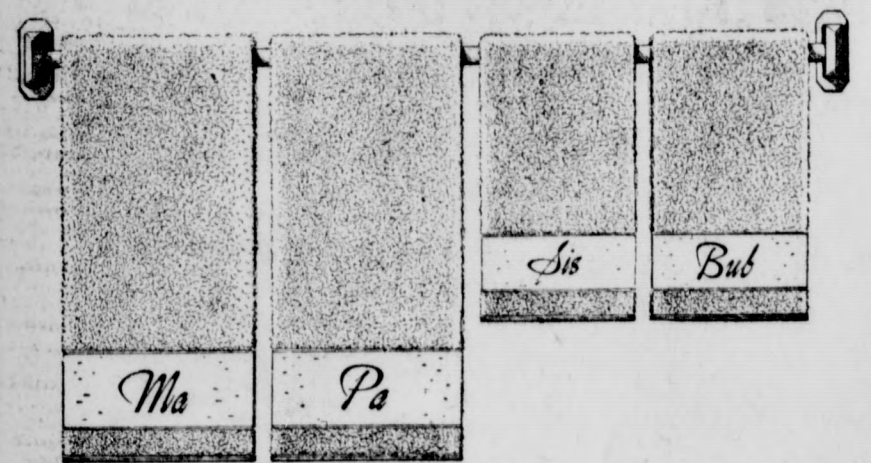

Bleaching Fabrics

Bleaching may be done by using a reliable bleaching agent and by following the manufacturer's directions. Special care should be taken with delicate fabrics. Bleaching solution left in clothes continues its work. Therefore the amount used, the temperature and the time should be carefully controlled. Fabrics which have been treated with bleaching agents should be thoroughly rinsed until all of the bleach has been removed. Ordinarily, colored fabrics should not be bleached. Chlorine solutions should not be used on silk or wool.

Potatoes Not Fattening

Potatoes are not fattening. It's the gravy, butter or other fat that "piles up" calories. One medium-sized potato has about 100 calories — no more than an apple or banana.

**How to make sure
your home has
PLENTY OF HOT WATER
for all the family—all the time**

Your automatic GAS water heater is a mighty dependable home servant. You use it night and day at low monthly cost. In many homes, however, the family use of hot water is greater than the water heater can deliver. That means there are periodic shortages of hot water. And it also means that the cost of heating each gallon of water used is greater than it should be.

Size up your home hot water needs the next time you buy or install a gas water heater. The figures and chart below show the size of the job to be done in your home. Make sure you are using a water heater big enough to do that job.

CHECK SIZE Storage Tank Capacity Guide to fit your family needs.		
Number Bathrooms	Number Bedrooms	Storage Capacity Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

Pledge Dinner For Auditorium Set October 28

Plans for a new Peninsula \$250,000 auditorium at Belmont will be discussed Friday evening, October 28, at a pledge dinner at Bay Meadows.

The non-sectarian centennial memorial auditorium will be built on the campus of the College of Notre Dame in Belmont and will be used for culture events.

More than 500 citizens of the Peninsula area are expected to attend the pledge dinner which will have William P. Kyne as host.

Chairman of the auditorium pledge dinner, Orris Davidson, said that Kyne, who operates Bay Meadows, has pledged \$150,000 toward the building project.

Runaway Cars On SF Hills Close To Setting A New Disaster Record

An average of 59 autos a month—470 in all—had run away on San Francisco hills by September 1 this year.

This figure was surpassed only once, when 476 autos broke loose in the same eight-month period in 1946, according to Iver C. Larson, managing director of the local chapter of the National Safety Council. Larson reiterated the request of police officials to motorists to take these precautions before leaving their cars when parking on San Francisco streets: "See that the wheels are blocked against the curb, the brake is set and the car is left in gear."

Pheasant Needs Coddling

FOLK DANCING NOW ONCE A WEEK

Daly City Recreation Department Now Offers Classes In Folk Dancing At Castle Hall Every Thursday Night

Folk dancing is the new vogue in Daly City, and threatens to take the place of jive, at least according to the huge attendance of the first class.

As some 100 people turned out for folk dancing lessons October 6, the Daly City recreation department has decided to have classes once a week, instead of twice a month.

The weekly classes will be held, beginning October 13, from 8:15 to 10:30 p.m. at Castle Hall, 7339 Mission street.

Instruction is free, and everyone is invited to attend.

"One nice thing about folk dancing is that every member of the family can participate," Mrs. Muriel Pabst, instructor, said. "No one need be a 'square' if he or she attends one of the weekly classes."

Whether you know one step or can't even keep time to music, Wednesday of each month at Belmont.

there is a place for your feet on the folk dancing floor.

Instruction is so geared as to give both the beginner and expert an opportunity to fully enjoy himself.

Only one thing seems to be lacking in quantity at the classes. That seems to be the male specimen of the homo sapiens.

Gents, here is an opportunity to meet some nice girl, or renew acquaintance with your distaff side. Men, the more the merrier, are invited to turn out Thursday evening.

For the younger set there are also classes in folk dancing. Because of the change of the adult schedule, the class schedule for young men and women has been changed.

Now the 7th grade and up will meet on the first and third Wednesday of each month at Belmont.

SM Vets Advised To Check Rights

Veterans who have recently moved to San Mateo county from another state or section of California should "check in" at the Veterans Service Office.

This is the advice of Floyd D. Granger, VA service officer, Redwood City.

"The vet making his home in California for the first time is probably not aware of benefits that this state makes available to him," Granger said.

Vets coming from other parts of California may also find that their move has put them into a different VA region, Granger said.

Both these groups of newly-arrived ex-servicemen are welcome to avail themselves of the services offered at the VA service office in the courthouse, Redwood City.

California's 1947 commercial fish landings totaled 793,264,905 pounds.

THE 'RECORD' WANTS TO PRINT THE NEWS BUT NEEDS YOUR AID

No paper can serve its readers unless it prints news of interest. The "Record" is no exception. If there is some event you think should be published, whether it be about yourself, friends or club, please let the "Record" know. We will be glad to print these items if you will mail them to the "Daly City Record," 3317 San Jose avenue, Daly City 25, or call JUniper 5-3215.

vue avenue, from 7 to 8:30 p.m.

The schedule for the fifth graders remains the same. They meet the second and fourth Thursday of each month at General Pershing School from 3 to 4 p.m.

Announcement of classes for the "teen-teen" age group in the south end of Daly City will be made at a later date.

Secco's Complete Auto Service Opens Friday

Secco's Automotive Center, 7255 Mission, one of the largest and most complete such services in San Mateo county, opens Friday, October 14.

Dealing in every aspect of the automotive world from Union oil products to steam cleaning, Secco's is beginning a revolutionary plan to save customers money.

On every gallon of gas purchased, Secco's will give the customers 10 per cent of the sales price in coupons redeemable for any service in the station.

For example: The buyer gets \$2 worth of gasoline. In return he is given a coupon valued at 20 cents. This coupon may be turned in for any product or service in the station from lubrication to motor repairs. Or the coupons may be saved until they equal the total price of some service.

Another feature of the 10-pump station will be its complete garage. Secco's is prepared to do any job on your car from changing a tire to changing a motor.

During the three-day grand opening, from Friday to Sunday, every lady that comes into Secco's will receive a beautiful orchid. The children will also leave the station with candy, balloons and a toy bank.

At least temporarily Secco's will be open seven days a week from 5 a.m. until midnight. Sometime, in the near future, the station may shift to 24-hour service.

S. C. (Charles) Secco is the owner and operator of the new station. He is well known in Daly City, as he spent 10 years operating the Marchbanks Station at School and Junipero Serra. He has a total of 25 years experience to his credit, and is in an excellent position to serve the motorists of this community.

Why not drop into Secco's sometime this week end. You don't have to buy anything. Just come in and look around. Remember the address, 7255 Mission.

SSF 1949-50 Concert Artists

First artist to be presented by the San Bruno Community Concert association this season will be Richard Farrell, pianist.

Farrell will open the season Sunday, November 6, at 2 p.m. with a concert in the Grand Avenue school auditorium, South San Francisco. Mrs. Palmer Everts, president of the association, made this announcement today.

Other artists on the 1949-50 series will include: March 3, 1950, David Lloyd, tenor; March 24, Don Cossack, chorus and dancers. All three concerts will be presented in South San Francisco.

DALY CITY-COLMA

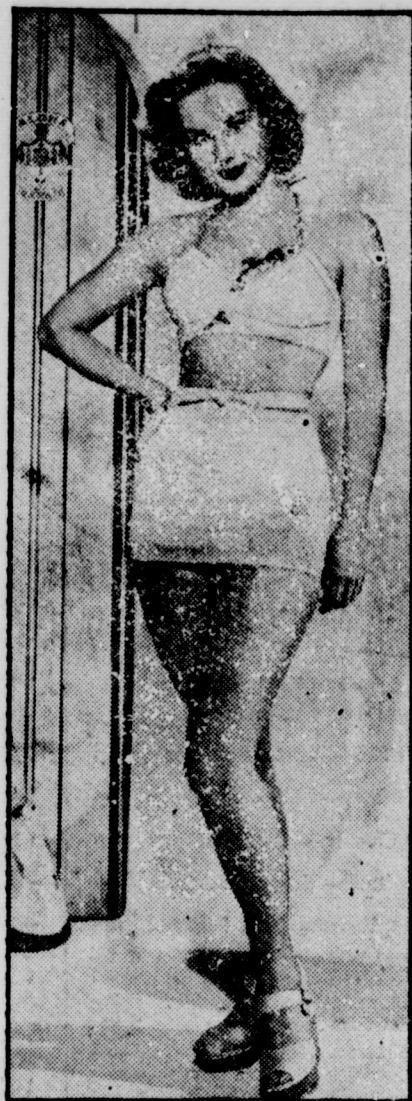

Better versed in the ways and people of Norway today are members of the Lions Club who saw a film on that country at their noon meeting Wednesday.

Guest speaker of the day was Olav Faltabo, official of the Norwegian San Francisco consulate. He was introduced by Program Chairman Fritz Erickson.

Following a brief talk, Faltabo showed the two-reel movies. These, Faltabo said, are considered to be some of the best pictures ever taken of his country.

They showed every aspect of Norway from the scenic countryside to the modern factories.

Next week's program has not yet been announced.

LUCKY FISH—Far from the fury of wind and wave, Hollywood's Virginia Mayo displays the latest in beach equipment and dress plus a little bit of Mayo, too.

Hessian Fly Again—Wheat jointworm, ranking next to Hessian fly as causing heavy losses to the wheat crop, was present in many fields this past season. The areas most heavily infested were southern Illinois, central and southern Indiana, southwestern Ohio, Kentucky, and several localities in Missouri. The department of agriculture is warning farmers to make use of known control measures to avoid severe and widespread infestations in 1949.

SPORTSMEN'S CALENDAR

The state division of fish and game reminds California sportsmen of the following general regulations which apply to current hunting and fishing:

TROUT—Ends October 31. Bag limit: 15 trout, salmon, or Rocky Mountain whitefish, or 10 pounds and one fish, or three fish regardless of weight.

BLACK BASS—Bag limit: Five fish. No size limit.

SUNFISH, CRAPPIE, SACRAMENTO PERCH, CALICO BASS—Bag limit: 25 fish of all species in aggregate. No size limit.

OCEAN FISH—No closed season except for grunion and salmon, now open. Bag limits: 50 scallops, 15 rockfish, 2 marlin, 2 black sea bass, 2 broadbill swordfish, 3 salmon, 10 tuna, croaker, skipjack, albacore, barracuda, yellowtail, white sea bass, bonito, rock bass, kelp bass, corbina, halibut, ling cod and cabezone. No limit other species.

CATFISH—No closed season. Bag limit: 15 pounds and one fish in the aggregate in the round. Night fishing permitted only in District 22, Siskiyou, Shasta, and Modoc counties.

DEER—Ends October 15 in San Diego county, north coastal, Sierra, and Lassen-Modoc areas. Closed elsewhere. Bag limits: 2 bucks in north coastal area, 1 buck elsewhere. Deer tags required.

ABALONES—Ends January 14. Bag limit: five. Minimum size for red abalones, seven inches; green, six and one-quarter inches; pink, six inches; black, five inches. Angling license required.

COCKLES—Ends March 31 in Marin county. No closed season elsewhere. Bag limit: 50. Size limit: None less than one and one-half inches in diameter.

CLAMS—Ends April 30 in Humboldt and Monterey bay areas. No closed season elsewhere. Bag limits: 30 razor, 10 big neck, 10 Pismo; 15 Washington in Districts 2 and 10; 15 Washington and big neck combined, but not more than 10 big neck in Marin county. No limit on jack knife clams.

RABBITS—Ends December 31 in southern California districts 4, 4½, 4¾, 19, 20, and 22. November 18 to December 31 elsewhere for brush and cottontail rabbits. No closed season elsewhere for jack rabbits. Bag limit: 8 brush and cottontail. No limit jack rabbits.

LOBSTERS—October 1 to March 15. No bag limit. Size limit: none under 1½ inches.

BEARS—October 1 to December 31. Bag limit: 2 per season. Shooting hours: one-half hour before sunrise to one-half hour after sunset.

Hunting Prospects In State During 1949-50 Improve

Hunting prospects in California are going to be improved during the 1949-50 fiscal year by expenditure of \$887,000, at a direct cost to State sportsmen of only \$221,750.

This type of conservation bargain has been going on since 1940, reports the Division of Fish and Game, and is accomplished through the Pittsman-Robertson Act, which refunds to the States a portion of the Federal tax on firearms and ammunition.

Thus, \$665,250 of this year's ambitious game conservation program will be paid for by the Federal government, with the remaining 25 per cent supplied with State proceeds from the sale of hunting licenses.

The Division's Bureau of Game Conservation also carries on a separate program, using its annual million-dollar budget for projects not included under provisions of the Federal Act.

Division Game Biologist Dan F. Tillotson, charged with Pittman-Robertson coordination, states that California's benefits and expenditures under the cooperative program are among the highest in the nation.

Greatest share of this year's federal-state kitty, 55 per cent, has been earmarked for development of waterfowl management areas and quail habitat. Land acquisition for public shooting grounds and deer ranges will cost approximately \$200,000.

Game bird and animal investigation costs will add up to \$162,017, while coordination and maintenance calls for an expenditure of \$37,000.

SUN DOWN—SPEED DOWN

With fewer daylight hours approaching, remember that your speed should always go down with the sun. Always adjust your speed at night to the distance illuminated ahead by your headlights, and keep constantly alert for the unexpected.

Bank Of America Claims Auto, House Sales Up

Confirmation today of the worth of the Bank of America's campaign to "Buy Now," was found in increasing sales figures for automobiles and household appliances.

Instead of shrinking, as many had anticipated, buying of the aforesaid commodities recently surged upward to a total some 50 per cent higher than in the comparable period a year ago.

E. A. Mattison, executive vice president in charge of development of bank services, disclosed that during the month of August this year Bank of America had advanced consumer credit in the amount of \$42,402,000 for the purchase of automobiles and household appliances, as compared with

Child Readership Surveyed In Book

"Children Learn to Read," written by David H. Russell, professor of education on the Berkeley campus of the University of California, and published by Ginn and Company of Boston, introduces two

\$29,414,000 advanced during August, 1948.

Broken down to daily activity for the 27 business days of the month, this showed a volume per day of \$1,570,444 in August this year as compared with \$1,089,407 the year before.

Mattison expressed the view that this experience by one banking institution was undoubtedly paralleled, to some degree at least, by other financing organizations, and that confidence in the outlook for business and employment was amply supported.

new emphases in the field of readership which have heretofore received little or no attention.

One of these emphases is an examination of the psychological, historical, and sociological backgrounds of the school's reading program. The second centers upon growth in the reading abilities as a continuous developmental process stretching from birth to the junior college level.

According to Russell, "There is a continuous need for reading instruction at all levels of the elementary and secondary schools. It was once presumed that children learned to read in the first grade but today we find that pupils in the eighth grade, for example, have limited reading comprehension owing to the ever-growing complexity of reading materials and reading purposes."

"Children Learn to Read" is directed toward teachers, school supervisors and parents of children in school. Its author, Dr. Russell,

BEING TOO GOOD

Sometimes being too good can be too bad. Drivers who have been driving for a long time and have acquired a high degree of skill often become nonchalant, warns the Public Safety Department of the National Automobile Club. They become so sure of themselves that they no longer take the job of driving seriously and from time to time will let their attention wander. Such a driver should remember that a moment of inattention while behind the wheel of a speeding car may very well cost him his life.

has figured prominently in the field of elementary education for many years and is the senior author of a series of basic readers which are currently in use in all the states of the Union and in several foreign countries.

DRIVE RIGHT

"Flattening" curves by cutting across to the left is a common and extremely dangerous practice, prohibited by the Vehicle Code. Always keep well to the right of the double line, advises the California State Automobile Association.

WATCH YOUR STEP

Even at moderate speed, an automobile travels its own length while you are taking just one step. Before stepping into a traffic lane, look left, then right to make sure that you can safely proceed.

FIRST FIND TROUBLE

Before inserting a new fuse as a substitute for one that has burned out, it is an excellent idea to discover the reason for the demise of the first one, advises the National Automobile Club. Allowing the trouble to remain may mean that the new fuse will go the way of the first.

WRITING HIS TICKET—Thirteen-year-old Egon M. von Azov, of Berlin's British sector, works on his second book following the publication of his first, "Geatbe for Pupils of the Third Grade in High School." Egon is trying to earn enough money to make a trip to the U. S. A student in Berlin High School, he is literally writing his own way.

STRICTLY FRESH

COLLEGES aren't so crowded this year as they have been. However, this won't make a noticeable difference in the load carried by the campus jalopies.

Headline: "You Don't Need a Diploma for Intelligent Conversation."

Certainly not; an ordinary operation will do nicely.

Coon hunters met for nine days in Milwaukee. Instead of their dogs, it was the hunters' week to howl.

A fellow announced he had permission to bring the Blarney Stone over for a tour of America. This later turned out to be a lot of blarney.

DC Man Gets Car Keys Returned Thanks To DAV

Behind the return recently of a set of automobile keys to F. C. Hillgrove, 1167 Brunswick street, is the story of the Disabled American Veterans.

The keys were returned as Hillgrove had a DAV Identag-tag, miniature license tag for key-rings, attached to his keys.

These identification tags are distributed to 30,000,000 motorists each year and the replica of their state license plate enables the DAV to return 5,000 keys a month from its national headquarters in Cincinnati.

In addition to key-loss insurance, the Identag-tag through contributions enables the DAV to maintain its free rehabilitation service for disabled veterans and their dependents.

Last year the DAV obtained more than \$18,000,000 in benefits

for disabled veterans and their families. The organization has the largest staff of national service officers of any veterans organization.

Keys are returned to owners from all over the world. One of the most unusual key losses and returns saw a Cincinnati grainery employee lose his set in a sack of oats. The keys were found when the sack was opened aboard a freighter in the English Channel en route to Poland and they made their way back via the DAV.

Tags even brought back keys from the war zones.

For the motorists who wish extra Identag-tags for extra sets of keys, the DAV has established a special order department, which handles more than 100,000 requests each year.

The DAV Identag-tag plant is owned and operated by the DAV in the interests of disabled veterans and employs disabled veterans in their manufacture.

On Christmas Day, 1941, Japanese forces captured Hongkong.

Legion Auxiliary 1950 Membership Campaign Opens

"With the American Legion for America."

That simple statement tells the whole story of the American Legion Auxiliary, Mrs. Minnie Bernardi, membership chairman of the Daly City Unit No. 410, said today as the unit opened its campaign for enrollment of 1950 members.

The American Legion Auxiliary has only one purpose and that is to help the American Legion in the Legion's great work for America.

Mrs. Bernardi said.

"We are making this membership campaign so that we will have greater strength to help more effectively," she asserted.

The Auxiliary gives especially effective help in serving disabled veterans, in aiding needy children of veterans and in teaching the principles of Americanism. The group works with the Legion in community projects, helps them in their post programs and shares in their social activities.

"We are inviting all wives, mothers, sisters and daughters of Legionnaires to come into the Auxiliary at this time and join with us as we go forward. 'With the American Legion for America,'" Mrs. Bernardi concluded.

FOR SAFETY'S SAKE

When parking, it always is well to stop the car before backing so near another car as to crush any pedestrian who might be passing between the two cars at that moment. If a pedestrian has been dreaming your hesitating gives him or her an opportunity to step aside.

TO AVOID SKIDDING

In order to avoid dangerous skidding on wet pavement, increase or decrease the speed of your car gradually, and always start your car slowly and turn slowly.

Civilian income in California in 1948 was \$1686 per capita.

Algeria is the largest wine producing country in Africa.

Independence has always been the county seat of Inyo county.

"Cliffs of the Friars" was the name the Farallon Islands, off the Golden Gate at San Francisco, by Juan Francisco de Bodega y Cuadra, in 1775.

Checkout is faster through these improved-style stands. New design eliminates unnecessary handling of merchandise. You're in and out without delay, your purchases checked quickly and accurately.

Open Frozen Foods Display
It's as easy as taking a package from the shelf, to make your selection from this modern frozen foods cabinet. No doors to open, no tops to slide! No groping! No bending! Everything's in full view, making it easy for you to choose the items you want.

Open Dairy Foods Display
Your favorite dairy foods have come out in the open in this new-style cabinet. Modern refrigeration method has eliminated unwieldy doors. All the items are in plain sight and within easy reach.

Serve-Yourself Coffee Mills
It's fun to grind your own coffee just the way you want it in these easy-to-operate mills. You simply select your favorite brand, set the mill for the grind to suit your type coffee maker, flip the switch, and pour in the coffee. In a jiffy you have a bagful of freshly-ground, full-flavored coffee.

Modern Shopping Carts
Glide down the aisles with one of these big, easy-rolling carts. Note how effortlessly it steers. When your purchases are completed, the cart fits into a special niche in the checkstand, where items are checked directly from the basket, saving time and effort. There's no lifting!

More than 45 other SAFEWAY STORES in this area have already been remodeled to include such shopping features as those listed above.

Int. Troop No. 16 Holds Meeting

At the meeting of the Intermediate Girl Scout Troop No. 16 October 5, 14 girls were present.

Patrol Leader Janet Cirimele brought the meeting to order at 3:30 p.m. with the Girl Scout Promise. Mrs. Marie Miller gave out Girl Scout catalogs.

A visitor at the meeting was Johnny Sorenson, Peggy Sorenson's brother.

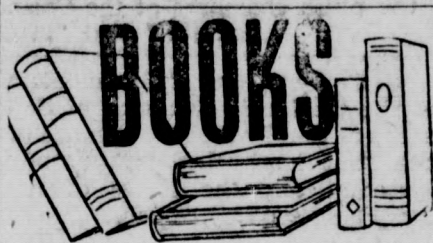

The following girls took part in "newspaper dramatization": Dutch girl, Carol McInerney, designer, Janet Cirimele; Cinderella, Carolyn Saumer, designer, Arlene Trapp; Dutch girl, Johnny Sorenson, designer, Peggy Sorenson.

Tramp, Sheila Sullivan, designer, Carol Garibaldi; bride, Donna O'Dell, designer, Jewel Patten.

Judges for the costume designing were Pat Lynch, Pat Boyle and Vicki Schroeder.

MAIL CALL: LETTERS FROM HOME—At the WAC Training Center, Camp Lee, Virginia, Sgt. Dorothea G. Miller, a regular Army WAC from New York City, hands out mail to officer and enlisted reservists. This is the first time in the history of the Army that women have participated in the reserve training program.

Another attempt at the great American novel has ended up as a community clinical sex study.

This new fictionalized version of the Kinsey report is John O'Hara's "A Rage to Live." It is now available at your Daly City library.

Only a cursory glimpse at the pages of this new novel will assure the reader that he is reading a best seller. There is just enough of good old-fashioned sex, plus the usual back-house scrawlings, to warrant O'Hara a place among the top

novels of the year.

This, his first real novel in 11 years, lacks much, if not all, the polish and subtlety of O'Hara's early great work, "Appointment in Samarra." In that novel the author showed some of the greatness, especially in dialogue and plot progression, that now only shines occasionally in "A Rage to Live."

Taking a community in central Pennsylvania as the stage for his novel, O'Hara examines its social stratifications from the call ladies to the governor. And everywhere he turns, he finds little but filth.

It may be argued this is life, realism; but so is a police blotter. There has to be something more than reality and technical excellence to make a truly good book. In this latest work O'Hara lacks the compassionate and vivid writing of his short stories—many of which are the best in the language—and his "Appointment in Samarra."

Full of many subplots and a multitude of semi detached characters, "A Rage to Live" principally concerns itself with Sidney Tate and Grace Caldwell Tate. These two paper-thin characters are about as interesting as the usual people found in the now famed three or four generation novels.

Through the book we see the antecedents of the Caldwell and Tate family, but are principally concerned with Grace and Sidney. The latter, being a Yale man, has a sense of moral obligation which is summed up nicely by "living by a set of rules." The rules are particular to Sidney and embrace everything from his wife to his final tragic death.

In a word, everyone in the book is a swine. This may be true enough in life, but to wade through

almost 600 pages of a swine pen is almost too much.

Anyone planning to read "A Rage to Live" and who has never read any other O'Hara work, is asked first to read some of his short stories or his early novel. Only then will they appreciate the true magnitude of this magnificent failure.

DANGER POINT

Danger lurks at every intersection—whether you are walking or driving, points out the California State Automobile Association. When you are walking, stop and look before you attempt to cross. When driving, slow down for intersections.

Ambulance Plan Under Discussion

Possible auxiliary private ambulance service in northern San Mateo county will be the answer to the present ambulance problem. This, and the possible zoning of

the county into three sectors for service, was discussed last week at a conference between County Health and Welfare Director Dr. Harold D. Chope and the operators of the Stanford, Bay Area and Peninsula ambulance services.

No precise agreement upon a contract covering the auxiliary

service was reached. After a tentative contract has been drawn up, another conference will be held.

Present plans call for the routing of the ambulances where needed by sheriff's office radio dispatcher. Through zoning the ambulance could reach the scene without delay.

AIR FORCE DARLING—Unique features displayed by the U. S. Air Force's new Martin XB-51 high-speed ground-support ship include sharply swept back wings, tandem landing gear and "T" shaped control surfaces. Power is supplied by three turbo-jet engines, two mounted on pylons on the lower sides of the fuselage, the third in the rear of the fuselage. No indication of speed, other than "high," was contained in the announcement of the XB-51. Advice to pilots of small craft—get out of the way when you see this one coming.

October 19 Bazaar By WOTM No. 739

Women of the Moose No. 739 are planning to hold their regular bazaar October 19.

The bazaar will be held in place of the regular meeting at Moose Hall, 3035 16th street, San Francisco. It will begin at 8 p.m.

There are to be cake and cookies, candy, games for the children, and in general fun for the whole family. Also there will be a variety of fancy work for sale which should make nice Christmas gifts.

Everyone is welcome to attend. All Moose members are invited to come and to bring as many friends as possible.

Iodine has been produced in California from the brines of certain oil wells in the Los Angeles area since about 1928.

NEWS FROM THE SCHOOLS

CROCKER

Of the 262 students enrolled in Crocker, 150 are being provided with bus transportation to and from school, since they live in the former Woodrow Wilson Elementary vicinity. Seventy-four of these 150 are on regular session from 9 to 3 in the 5th and 6th grades, while 76 are on a double session from 8 to 12:10.

Further bus transportation is provided for 181 7th and 8th graders who are programmed for craft and homemaking at Thornton school in eight different shifts. These 181 students are divided into smaller groups to provide greater individual attention in these respective subjects. Thus, 36 trips between Crocker, Woodrow, and Thornton are made each week for the convenience of students enrolled in Crocker School.

Convinced that home and school share the responsibility of providing a suitable environment in which a child's welfare is entirely dependent, Crocker students in the HS-L8 cooperated with the P.T.A. in their membership drive by volunteering to make posters encouraging greater participation and membership in the Crocker P.T.A. These posters were placed in the stores of Daly City. Those students who volunteered to make attractive posters were Martin Verce, Virginia Chan, Marcia Golden, Jerry Gioni, Elaine Martinez and Bill Butler.

Crocker is the first school in the district to be flying its safety pennant! On Wednesday, at an outdoor assembly presided over by student President Virginia Chan, the presentation was made by Mr. Robert Moore, curriculum assistant of San Mateo county. Superintendent Snell was unable to be at the assembly, and the student body regretted his absence. Mr. Hugh Falconer, general supervisor, led the group in their pledge to the flag, which was followed by the singing of "America," played by Heather Bridges and led by Carol Bate.

The seventh grade of Room 5, having as its unit in health "Safety," took charge of the program, which was introduced by John MacNichols, room representative and member of the student council. Representative MacNichols introduced his classmates, Gary Galli, who spoke on "Safety at Home"; Michael Sibitz, who spoke on "Safety for Pedestrians"; Sherwood Rupp, who spoke on "Safety at School"; Martin Verce, sergeant-at-arms and safety chairman, accepted the pennant for the school from Mr. Moore, who gave the students a talk on "Safety."

The assembly closed with the singing of the "Star-Spangled Banner," played by Carol Bate and led by Heather Bridges.

The social science unit "Pioneer Life" had one of its phases visualized for the L5 grade. An excellent film, "Candle Making," showed the students the various steps in this colonial activity.

The LS-L7 grade are studying verbs as the basis of formal grammar. Being the verb is the "king-pin" of the sentence and unless its use is clearly understood, the study of formal grammar is difficult. The struggle to conquer verbs is a long one!

Having completed the study of geographic concepts, the L7 of Room 5 have begun their key unit, the study of the orient. Students are becoming acquainted with the fact that every country, large or small, has contributed its part to world civilization. The students further found that Mr. Sakamoto of Japan has developed powerful swimmers winning national championships. Some of these winners are only around 14 years old.

Mr. Sakamoto's rules for safety while swimming have been incorporated into students' notebooks and practices in a correlated safety unit.

Room 3's L7 has been reading about China, as a integrated portion of its reading and social studies program. Comparing the mores of the people of China with those of ours has proven very interesting.

The hand-baseball program during physical education has held the interest and enthusiasm of all the 7th and 8th grade boys. There are two teams which will compete in many sports throughout the year.

Boys have been signing up for the coming football season. There

SALT LAKE CRATER

Bottomless Salt Lake Crater, located about forty-five miles east of St. Johns in Arizona, is reported to be so highly saturated with natural salt that bathers cannot sink.

Cash receipts from livestock and livestock products reached a new high of \$830,000,000 in California in 1948.

In the fiscal year ended June 30, 1949, the Union Square Garage in San Francisco sold an average of 75,000 gallons of gasoline monthly.

Australia imported 48,500,000 pounds of tea in 1948.

STRIVING FOR PEACE—Brig. Gen. Carlos P. Romulo of the Philippines sits at his desk after being elected president of the fourth General Assembly of the United Nations at its opening session at Flushing, N. Y. He took over the duties from former President Herbert V. Evatt of Australia.

will be both an "A" and "B" team. Segregation of boys for the teams will be determined by age, weight, and height. Crocker played its first game Saturday, October 8, with Woodrow.

BONES RATTLE AT MONTE CARLO—The internationally famous Monte Carlo Casino at Monaco tries out the traditional American game of "galloping dominoes," as Lillian Moore and two other Monte Carlo girls place their bets. The head croupier of the Casino spent three months in the U. S. learning the nomenclature of the game. If "le craps" proves popular with Europeans, the plush chambers of the Casino may soon echo to cries of "les boxcars!" and "Teighter from Decatur!"

W. O. Ayres, one of the founders of the California Academy of Sciences at San Francisco, was one of the first ichthyologists to study systematically the fishes of the San Francisco Bay region.

More than 60 glaciers and 200 lakes are within the boundaries of Glacier National Park, in northwestern Montana.

Australia imported 48,500,000 pounds of tea in 1948.

FRESH POULTRY and FISH AT ALL TIMES

These folks mean business for the West... Pacific Telephone people receive pay adding up to \$19,000,000 a month.

Telephone paychecks also come to you

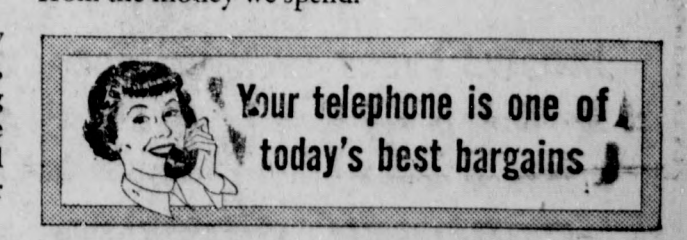

1. Timber... paper... copper—we have to buy many things to build and run the telephone system. Last year Western Electric, our principal manufacturer and supplier, bought over 20 million dollars worth of materials in the West. More than half of each dollar we take in goes for employees. Most of it is spent and goes into circulation where they work and live.

3. When you add it all up, you find the money you spend for service comes back, in large part, to you. And your telephone dollars are buying more service than ever. Today you can call more of the people you want to call... more can call you. And your telephone still does its jobs for only a few pennies a call.

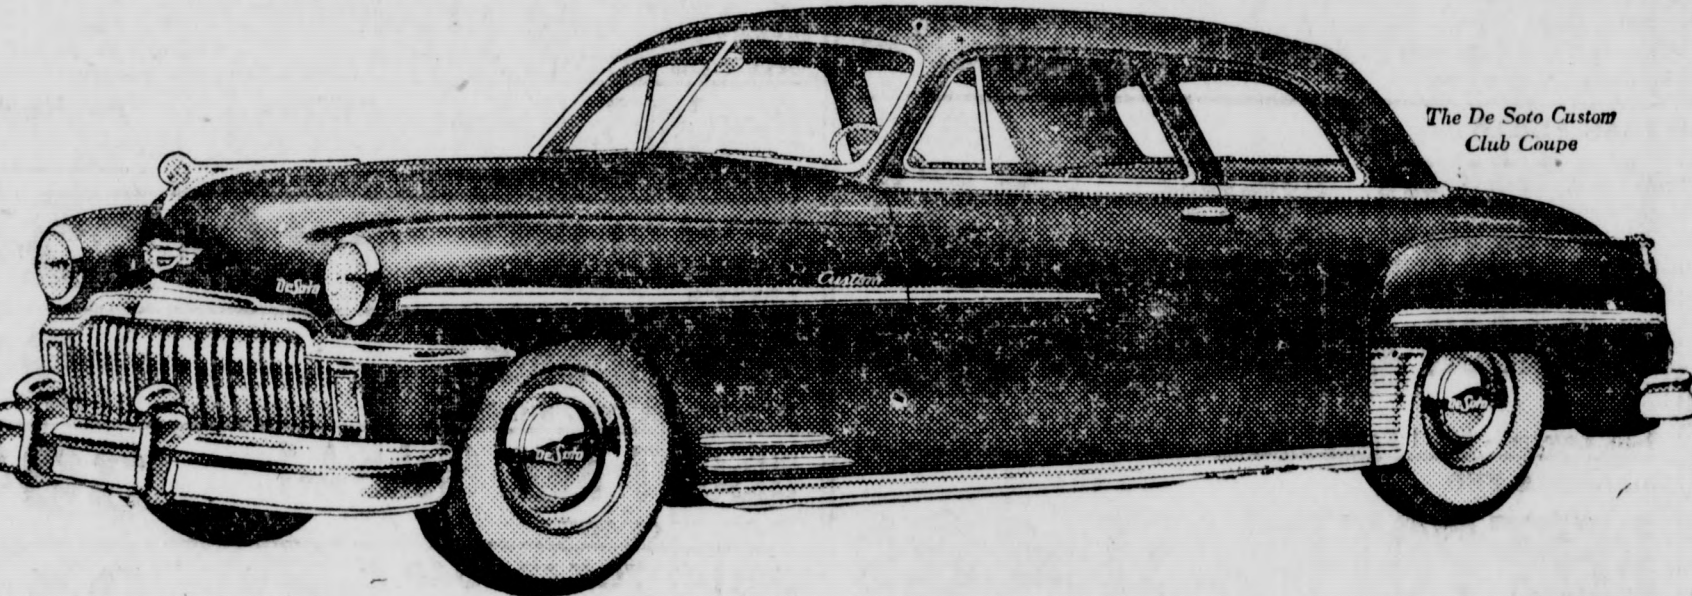

2. More than 80,000 of those whose savings built the business... who own telephone stock... live in the West. In return for the use of their money, a few pennies of each telephone dollar go to them. And as they spend it, they also add to Western prosperity. It would probably be hard to find anyone who does not in some way benefit from the money we spend.

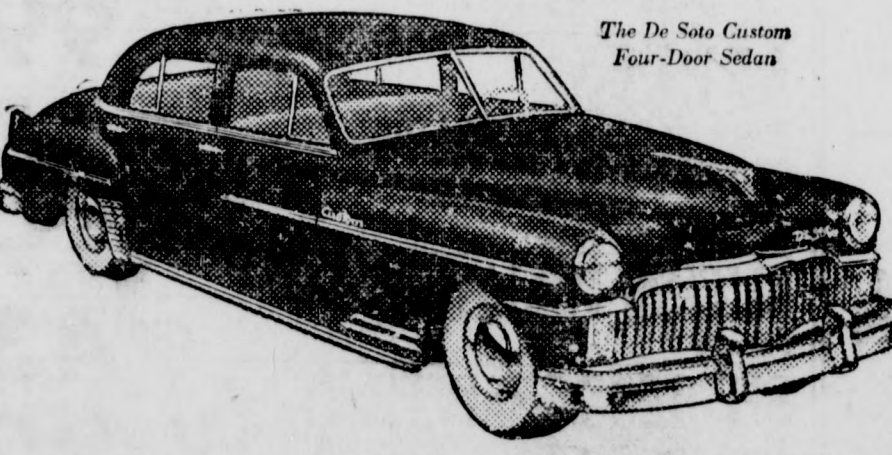

Your telephone is one of today's best bargains.

The Pacific Telephone and Telegraph Company
GIVE TO YOUR COMMUNITY CHEST...GIVE ALL YOU CAN.

The De Soto Custom Club Coupe

See DE SOTO before you decide!

The De Soto Custom Four-Door Sedan

Lets you drive without shifting!

NO MATTER what car you may have thought of buying...see this wonderful De Soto before you decide. We will show you why it offers you more comfort, convenience and value for your money than any other car... regardless of price. Strong words. But we're ready to prove them to you!

Come in and see "The Car Designed with YOU in Mind." Come in and see a car that is truly modern without being freakish... that gives you more head room, leg room and arm room... not less. Come in and see what real visibility means. And see how seat springs can be tailored to your weight.

Come in and discover the miracle of De Soto's Tip-Toe Hydraulic Shift and Gyrol Fluid Drive. Let us show you the dozens of extra-value features that no other car can match. Then decide!

Man, young, capable, will do odd

WHERE THE TALL CORN GROWS—Carol Pohl, 17-year-old Mendota, Ill., farm girl, stands on a ladder but still fails to reach the top of an 11-foot cornstalk. Carol was crowned queen of the Sweet Corn Festival, which attracted thousands to Mendota, the Midwest's "corn capital."

Garaventa Hearing Due This Friday After Postponement Last Week

For the third time Friday, Roy Garaventa, 41, 151 Hillcrest drive, charged with operating a bookie joint, is scheduled to appear in Daly City police court.

He was supposed to have been in court for a preliminary hearing October 7, but asked and received a postponement until this Friday. Garaventa is due to appear before Judge W. J. Sweeney at 3 p.m. At that time he will enter a plea to the bookie charge.

The Daly City man was arraigned before Judge Sweeney September 30, but entered no plea at that time.

WANTED TO RENT 4 or 5 unfurnished rooms, garage. Pay \$60. GR 4-9822, Apt. 1, after 5 p.m.

County Red Cross Now Using New Chapter House

In operation today is the Helen Percy Chesebrough chapter house of the San Mateo county chapter of the American Red Cross.

The building was dedicated last Wednesday to the memory of the woman who had become affectionately known as "Miss Red Cross."

Through Miss Chesebrough and William P. Kyne the house was given to the county Red Cross to carry on its work in this community.

The new chapter house provides quarters for home service, volunteer service, visiting nursing service, production, home nursing, safety services, Junior Red Cross, disaster relief, fund raising committee and the chapter chairman and staff.

There is a well-equipped kitchen, ample storage space and garages for the Red Cross station wagons. Interior decor of the building was planned by Frederick C. Frey Jr.

The Republic of California was proclaimed at Sonoma on July 14, 1846.

Industry-Home Show Nov. 18-27

Taking over the San Mateo festa building November 18-27 will be the Bay Area and Penindustries Civic Home Show and Forum.

Planned as a 10-day cavalcade of Bay Area-Peninsula progress, the event is to include stage productions, motion pictures, demonstrations, exhibits and forums. W. D. Kent, co-ordinator of the event, said.

Also in the offing is an aviation and automobile show as several special days for sports and government. Plans for a Thanksgiving Day program are also underway.

All civic and business groups on the Peninsula are asked to participate, Kent said.

DANGEROUS LEAKS

Motorists should make sure there are no leaks in the car's exhaust manifold, muffler or exhaust pipe, according to the California State Automobile Association, which warns that carbon monoxide in as little as 15 parts to 10,000 parts of air will cause death if breathed for an hour. Carbon monoxide gas, which is present in exhaust gases of all cars, is odorless, colorless and tasteless.

Local Guard To Fire Carbine

Moving into Fort Barry October 23 for qualification firing will be members of Battery B, 149th AAA AW Bn (SP) local National Guard unit.

The firing of the carbine will take place on Sunday. This is one of several extra paid drills that are authorized members of the Guard during the training year.

The Battery has openings for former tank men as well as new men 17 to 34 years old.

Further information may be obtained by calling Delaware 3-0439 or visiting the Battery on Monday evenings at the San Bruno navy base.

Reg. Meeting 1941 Anna Sanft Warders' Assn., OES, Held Monday Eve

Held at the home of Mrs. A. Widasky, 41 Eastlake avenue, recently was a meeting of the 1941 Anna Sanft Warders' Association, OES.

After a short business meeting, Dutch whist was in order. Later refreshments were served. This was a regular Monday evening meeting of the group.
